### Supporting Description of Activity

---

Justification for our funding is that if the Commission did not exist the local police departments would be required by Federal and State law to patrol or the State would have DEP Wardens patrol with court ordered charges going to the towns for their time and equipment. The reduced 2008-2009 amount is because the current year permit sales are exceeding projections and we are having a limited scallop season from January 15 to April 15 for the first time since the year 2000.
