1. CALL MEETING TO ORDER

Chairman Salerno called the meeting to order at 9:45.

2. MODEL MUNICIPAL AQUIFER REGULATIONS AND MAP

Mr. Mulholland stated a lot of this is being pushed back onto businesses. 15 or 16 businesses will have to register. The DEP is pushing this program. It is mandated by State Statute. There will be two layers of aquifer protection. He would like to set a Public Hearing.

Chairman Salerno stated he would like to ask Mr. Mulholland to schedule the public hearing. This needs to get done.

Ms. Carabelas asked if any properties are grandfathered?

Mr. Mulholland stated no.

Ms. Carabelas asked if the State is mandating that the Town charge a fee?

Mr. Mulholland stated that is their recommendation.

Chairman Salerno stated he has discussed this with Mr. Mulholland and Mr. Formica and they think the Town can absorb some of the cost.

Mr. Mulholland said it is state mandated.

Chairman Salerno asked that this be scheduled for a public hearing in October.

Motion (1) Ms. Carabelas moved to adjourn the meeting at 9:55.
