Conservation Success Stories

New England Forestry is pleased to announce four conservation initiatives which closed at year-end in 2013:

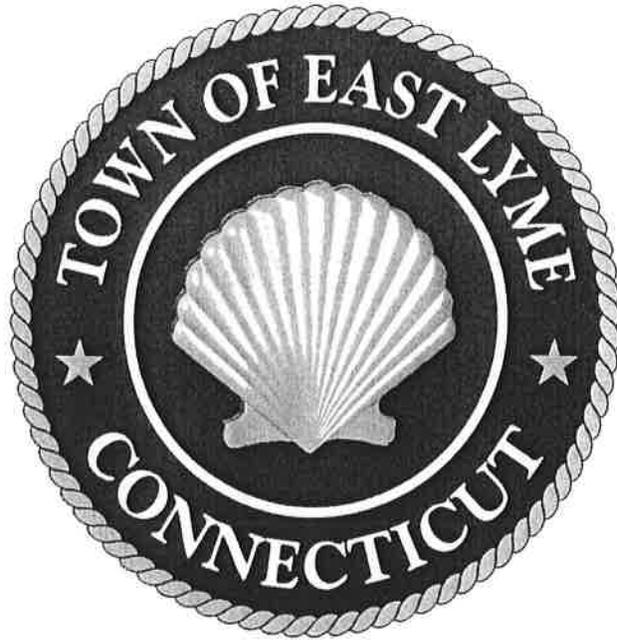

The Millpond Perry Plantation, a 3,300-acre conservation easement in Thomasville, Georgia, was transferred recently from The Nature Conservancy to New England Forestry Foundation to allow consolidated oversight in caring for the land. The Plantation is now under active management to encourage the growth and continued health of the longleaf pine forest type. Several state- and one federally-listed species, the red cockaded woodpecker, are known to occur on the property. The Plantation is an addition to the Foundation's existing Sedgwick conservation easements of 7,594 acres.

The Nielson Giarusso property is part of a collaborative effort to conserve more than 900 mostly contiguous acres as working lands and natural areas in Leyden, Massachusetts. With the financial support of the state's Landscape Partnership Grant Program, and in conjunction with Mount Grace Land Conservation Trust and Franklin Land Trust, we conserved 91 acres of the Nielsen-Giarusso land with a perpetual conservation restriction. The restriction helps provide protection for the Leyden Glen Reservoir, a public water supply for the city of Greenfield.

The Phillip Weld Forest, with 39 acres in Wareham, Massachusetts, received two contributions of land from William Elkins, his son, Jacob, and daughter, Sheila Baltzell. All are descendents of the original donor. The two parcels, 17.6 and 3.8 acres, are additions to the original forest. The forest also has been renamed The Weld Forest to reflect the multi-generational gifts. The property is entirely forested and features a mix of white pine and oaks and abuts town conservation land, creating a contiguous corridor for habitat.

Spiegel Memorial Forest, with 100 acres in Pomfret, Vermont, received a 70-acre addition thanks to the fee gift of the Sennott Maple Forest from Robert and Susan Sennott. The parcel contains a well-managed woodland dominated by sugar maple of mixed ages and class sizes. The new addition provides enhanced access to the original 100-acre forest, which abuts the Green Mountain National Forest. The Vermont Land Trust holds a conservation easement on both forests.

RESOLUTION MAKING AN APPROPRIATION IN THE AMOUNT OF \$900,000 FOR THE REHABILITATION OF VARIOUS TOWN ROADS AND AUTHORIZING THE ISSUANCE OF \$900,000 BONDS OF THE TOWN TO MEET SAID APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

RESOLVED:

Section 1. The sum of \$900,000 is hereby appropriated by the Town of East Lyme, Connecticut (the "Town") for the rehabilitation of various Town roads, including reconstruction, grinding and overlay, micropaving, chipsealing and cracksealing, and administrative, financing and costs of issuance related thereto, said appropriation to be inclusive of any and all State and Federal grants-in-aid thereof (the "Project"):

Section 2. To meet said appropriation, \$900,000 bonds of the Town or so much thereof as shall be necessary for such purpose, shall be issued, maturing not later than the maximum maturity permitted by the General Statutes of Connecticut, Revision of 1958, as amended from time to time (the "Connecticut General Statutes"). Said bonds may be issued in one or more series as determined by the First Selectman and the Town Treasurer, in the amount necessary to meet the Town's share of the cost of the Project determined after considering the estimated amounts of State and Federal grants-in-aid of the Project, or the actual amounts thereof, if this be ascertainable and the anticipated times of the receipt of the proceeds thereof, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, financing, legal and other costs of issuance of such bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signatures of the First Selectman and the Town Treasurer, bear the Town seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut. The bonds shall be general obligations of the Town and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds including the rate or rates of interest shall be determined by the First Selectman and the Town Treasurer, in the best interest of the Town, in accordance with the Connecticut General Statutes.

Section 3. Said bonds shall be sold by the First Selectman in a competitive offering or by negotiation, in his discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds are sold by negotiation, the purchase agreement shall be approved and signed by the First Selectman and the Town Treasurer.

Section 4. The Town Treasurer is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be signed by the First Selectman and the Town Treasurer, have the seal of the Town affixed, be payable at a bank or trust company designated by the First Selectman, be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut, and be certified by a bank or trust company designated by the First Selectman pursuant to Section 7-373 of the Connecticut General Statutes. They shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing the notes, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The Town hereby expresses its official intent pursuant to Section 1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and any time after the date of passage of this resolution in the maximum amount and for the Project with the proceeds of bonds, notes, or other obligations ("Tax Exempt Obligations") authorized to be issued by the Town. The Tax Exempt Obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Project, or such later date the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The First Selectman or his designee is authorized to pay Project expenses in accordance with this resolution pending the issuance of Tax Exempt Obligations.

Section 6. The First Selectman, Director of Finance and the Town Treasurer are hereby authorized, on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution. Any agreements or representations to provide information to the MSRB made prior hereto are hereby confirmed, ratified and approved.

RESOLUTION MAKING AN APPROPRIATION IN THE AMOUNT OF \$715,000 FOR THE PLANNING, DESIGN, REHABILITATION AND IMPROVEMENT OF THE TENNIS COURT FACILITY AND AUTHORIZING THE ISSUANCE OF \$715,000 BONDS OF THE TOWN TO MEET SAID APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

RESOLVED:

Section 1. The sum of \$715,000 is hereby appropriated by the Town of East Lyme, Connecticut (the "Town") for the planning, design, rehabilitation and improvement of the tennis court facility, including the installation of new fencing and lighting and administrative, financing and costs of issuance related thereto, said appropriations to be inclusive of any and all State and Federal grants-in-aid thereof (the "Project"):

Section 2. To meet said appropriation, \$715,000 bonds of the Town or so much thereof as shall be necessary for such purpose, shall be issued, maturing not later than the maximum maturity permitted by the General Statutes of Connecticut, Revision of 1958, as amended from time to time (the "Connecticut General Statutes"). Said bonds may be issued in one or more series as determined by the First Selectman and the Town Treasurer, in the amount necessary to meet the Town's share of the cost of the Project determined after considering the estimated amounts of State and Federal grants-in-aid of the Project, or the actual amounts thereof, if this be ascertainable and the anticipated times of the receipt of the proceeds thereof, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, financing, legal and other costs of issuance of such bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signatures of the First Selectman and the Town Treasurer, bear the Town seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut. The bonds shall be general obligations of the Town and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds including the rate or rates of interest shall be determined by the First Selectman and the Town Treasurer, in the best interest of the Town, in accordance with the Connecticut General Statutes.

Section 3. Said bonds shall be sold by the First Selectman in a competitive offering or by negotiation, in his discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds

are sold by negotiation, the purchase agreement shall be approved and signed by the First Selectman and the Town Treasurer.

Section 4. The Town Treasurer is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be signed by the First Selectman and the Town Treasurer, have the seal of the Town affixed, be payable at a bank or trust company designated by the First Selectman, be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut, and be certified by a bank or trust company designated by the First Selectman pursuant to Section 7-373 of the Connecticut General Statutes. They shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing the notes, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The Town hereby expresses its official intent pursuant to Section 1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and any time after the date of passage of this resolution in the maximum amount and for the Project with the proceeds of bonds, notes, or other obligations ("Tax Exempt Obligations") authorized to be issued by the Town. The Tax Exempt Obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Project, or such later date the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The First Selectman or his designee is authorized to pay Project expenses in accordance with this resolution pending the issuance of Tax Exempt Obligations.

Section 6. The First Selectman, Director of Finance and the Town Treasurer are hereby authorized, on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution. Any agreements or representations to provide information to the MSRB made prior hereto are hereby confirmed, ratified and approved.

Section 7. The First Selectman and the Town Treasurer, or either of them, are hereby authorized, on behalf of the Town, to enter into any other agreements, instruments, documents and certificates, including tax and investment agreements, for the consummation of the transactions contemplated by this resolution.
