1. CALL TO ORDER

Mr. McPherson called the meeting to order at 7:00 p.m.

Mr. McPherson sat Mr. McIlhenney and Mr. Lukas as regular members for the meeting.

2. GENERAL DISCUSSION

Mr. Mulholland handed out a list of businesses that were contacted.

3. PROGRAM UPDATE

Letters were sent to 19 businesses, one is now defunct. They are required to register with the Town and this is mandated by the State. There are different types of businesses that would fall into this requirement such as auto repair, gas station, car wash, nursery, and others. Once they register with the Town the information is sent to the State. There is a separate mapping system for the Aquifer and the Aquifer Regulations. The Agency will meet every other month. The Aquifer Protection Agency decided not to charge businesses for registering. They can hold a Special Meeting if they want to. He will send a second letter to the businesses that we haven't heard back from.

4. ADJOURNMENT

Motion (1) Mr. Manning moved to adjourn the meeting at 7:15 p.m.

Seconded by Mr. Lukas.

Motion Passed 4-0.

Respectfully Submitted,

Recording Secretary**
