123123

**The Town of East Lyme** is currently in the process of conducting the 2016 Revaluation of all real property effective **October 1<sup>st</sup>, 2016**. To ensure public confidence, property owners must play an active and important role in monitoring the quality of the data that is to be used as the basis of the Revaluation. Certain **information concerning your property** has been compiled from the existing Town Records and property inspections. This information will be utilized during the valuation phase of this revaluation process. **Please review this information**, make any necessary corrections, sign the form, and provide a daytime telephone number where you can be reached. Please note that it is **not necessary to return this form if there are no corrections.** Please return the completed form no later than **June 15, 2016** to:
