

Nar-Anon

The Nar-Anon Family Group is for those who know the feeling of desperation due to the addiction problem of someone close to them.

Affected by a loved one's Addiction?

Nar-anon is a 12 step program to help friends & relatives affected by the disease of addiction. We offer our help by sharing our experience, strength & hope and letting others know they are not alone. The only requirement to be a member and attend Nar-Anon meetings is that there is a problem of drugs or addiction in a loved one or friend. We believe the support program is designed to help relatives and friends of addicts recover from the effects of living with an addicted relative or friend.

When attending meetings regularly you will begin your own recovery.
