311	Administrative Assistant	48,964	This account pays for the full-time police administrative assistant. The salary amount is set by contractual agreement between the Town of East Lyme and the American Federation of State, County and Municipal Employees AFL-CIO, Local 1303-229 of Council 14. The secretary working in this position performs a multitude of functions including, but not limited to: processing, copying and disseminating police reports, preparing court transmittals, maintaining summons control, preparing budget related correspondence, logging and tracking approved purchase orders and payment vouchers, ordering necessary office supplies, greeting visitors, completing local police checks, compiling statistical reports, computer processing and other related duties as directed by supervisory personnel.

316	Administrative Assistant Longevity	650	This line item is established by contract and is adjusted to employee seniority levels.

Acct.	Account Description	10/11 Budget	Supporting Description of Activity
512	Part Time Police salaries	15,913	There are currently two part time police officers. There are sixteen (16) four hour shifts per month dedicated for part time officers. The part time officers are used to supplement current police staffing and cannot be used to replace minimum patrol requirements. This account is set by contractual obligation and has been underfunded in previous budgets.
513	Foot Patrol/Parade Duty (Possibility of two separate line items)	24,456	There are several "special duty" events that occur throughout the year that require the services of the Police Department. These events include police coverage at summer concerts, Celebrate East Lyme, the Holiday Stroll, the Niantic Light Parade and others. In an effort to keep costs for overtime low, the department has been utilizing "Mutual Aid" police officers for the larger events in town. These Mutual Aid officers are provided by surrounding towns at no cost to the Town of East Lyme. The savings provided by utilizing these officers has led to increased beach and foot patrols in downtown Niantic and at the various Beach Associations throughout the summer months.
514	Overtime	222,157	<a href="#">Overtime Link</a>
	Grant Overtime (Reimbursement)	0	Each year, the Police Department applies for grant monies from the State of Connecticut Department of Transportation Highway Safety Office to enhance the department's ability to detect and arrest intoxicated drivers. This funding is critical as it allows the department to conduct sobriety checkpoints and also allows for additional officers on special patrols during weekend and holiday nights, thereby increasing police presence. Officers working this assignment have been able to assist and back-up on duty officers which has proven to be a benefit to the town. This funding requires a 25% match from the town. A \$25,000 investment from the town would generate a revenue offset of \$75,000 funds from the State DOT. This money is reimbursed to the town on a quarterly basis.
