**46 Scott Road – East Lyme**

The group met at the Town Hall lot at 9 AM and proceeded to the site arriving approximately 9:20 AM.

At the site, the group met Mr. Hall, one of the property owners. We walked down a slope towards the land cleared to ascertain proximity to wetlands. The four corners of the proposed garage were staked. While no wetland flags were observed, it was noted that the majority of the garage fell within the 100 foot upland review area as depicted on Mr. Pfanner's map. The group noted a section of partially buried silt fencing before leaving the site.

The site walk was then adjourned at 9:45 AM.

Respectfully submitted,

Keith Hall, Secretary
