

August 22, 2016

The Smith-Harris Commission would like to change their meeting night in October from the 26th to the 19th. Because of Trick or Treat.

They would also like to change their November meeting from the 23rd to the 16th because of Thanksgiving.

We would like to use the game room we always use for our meetings

If there is any problem give me a call at 860-739-2762 (Home) or you can reach me on my cell at 860-941-5809

Sincerely,
Maggi Prokop
Corresponding Secretary
Smith-Harris House Commission
