A. Review and Discussion of Londregan Aquaculture Project

- Murin mentioned that the Army Corps of Engineers comment period on this project was extended to 20 September 2017.
- Dinsmore emailed the Public Notice to everyone on the Commission for their review.
- Dinsmore passed around the article on the Niantic River Scallops dated August 26, 2017, from the Opinion section of the Day newspaper.
- This will be added to the agenda for the next meeting of September 19, 2017.
- A date for an arranged meeting down by the River has not officially been announced but Dinsmore will attend as Chairman for the HMSC. After the walk through we will have more information about this project.
- Dinsmore mentioned that our participation as a Commission will end with a letter either for or against the project.
