During this public health emergency, the Town of East Lyme we will institute the following procedural adjustments effective immediately:

The Fire Marshal's Office will continue to investigate the origin, cause, and circumstances of all fires and explosions within our jurisdiction and provide assistance as needed to our mutual aid partners.

License related inspections have been postponed until the COVID-19 Pandemic is effectively resolved. If you need an inspection done by this office for a license renewal, please send an email following the instructions below. Once normal operations resume, we will contact you to schedule an inspection.

Requests for service of an urgent matter requiring immediate attention from the Fire Marshal's office should be made through the Emergency Dispatch Center by calling 860-739-3419. Someone will get back to you as soon as possible. If you have an emergency, call 911.

All written communications are requested through email to myself at jway@eltownhall.com. Please be sure to enter the property address as the subject line.

We will work closely with the building department during the inspection and installation of life safety systems within the Town of East Lyme to ensure compliance with the provisions of Connecticut's Fire Safety regulations and codes.

Town of East Lyme is making every effort to allow construction projects to continue. Thank you for working with us during these unprecedented times.
