RE: NOTICE OF VIOLATION – 297 Boston Post Road,
Assessor's Map# 30.1 Lot# 57, East Lyme, Connecticut

I conducted an inspection of the above referenced property today along with Mr. Pazzaglia. As demonstrated by the Figures 2 – 4, a significant amount of construction equipment, construction materials, have been relocated to an area further upland away from the lake shore and the stockpiles of earthen materials including but not limited to yard debris, mulch, woodchips, gravel, topsoil, and other woody debris within 100-feet of a wetlands and watercourse have been removed off-site. The landowner and contractor are continuing to remove a few remaining piles of miscellaneous debris and relocate some of the equipment. Once the remaining piles are removed and work completed, I will conduct a final inspection.
