

EAST LYME BOARD OF SELECTMEN  
SUBCOMMITTEE TO REVIEW CINI PARK FISHING DOCK LEASES  
NOVEMBER 11, 2020

MEETING MINUTES

Meeting was brought to order at 7:02 p.m. on November 11, 2020 via Zoom.

In attendance were Marc Salerno, Paul Dagle and Dan Cunningham

A discussion ensued about selection criteria for dock leases. A set of criteria was established and put into draft form.

The committee decided to recommend two options to the Board of Selectman:

1. Extend leases until forth dock becomes available. When forth dock becomes available, put out a call for applications.
2. Extend current lessees for another year and put a call out for forth dock when it becomes available.

The committee will also finalize the draft set of criteria and present it to the Board of Selection at the next meeting for adoption.

Meeting was adjourned at 7:50PM.
