Subject: Ted Koch wetlands resignation

Dear Friends,

Kindly accept my resignation from the wetlands agency. I do so with a heavy heart. The demands of my law practice have ramped up in recent months, and I am unable to devote the necessary time to the agency.

I have enjoyed my time as a wetlands agent. My resignation has nothing to do with anything about my participation on the agency. It is a simple matter of hours in the day.

I hope to return to service to the town in the future. I appreciate you all, and we have some fine alternates who can step into my shoes.

If I have to take any further action to complete my resignation, kindly let me know.

Thank you,
Ted Koch
