Gary Goeschel
Director of Planning
Town of East Lyme
108 Pennsylvania Avenue
Niantic, CT 06357

Re: Upper Pattagansett Drive English Harbour transfer to East Lyme Land Trust.

Dear Gary:

Thank you for taking the time to meet with me regarding my prior correspondence of January 7, 2020. As discussed there are two items before the Planning and Zoning Commission on July 7, 2020 that my client is seeking the commission to address.

1. Release of the Open Space Covenant. The Open Space Covenant recorded in volume 653 page 355 required the developer and/or its successors to provide up to 30 acres open space to the town as part of the development. So far, the developer or its predecessors have donated 41.35 acres in open space, Ex. A., thereby satisfying this requirement. We are seeking a release of this covenant. My client is in the process of transferring to the East Lyme Land Trust an additional 37.99 acres. Part of this involves a grant to the land trust by the Connecticut Department of Energy and Environmental Protection ("DEEP"). DEEP requires a title insurance policy be issued to it as a condition of the grant and requires this encumbrance be removed in order to complete the funding. I have attached a copy of the proposed release for your review. Ex. B.
2. Assignment of the Conservation Easement recorded in volume 870 page 689 of the East Lyme land records from the town to the East Lyme Land Trust. My client is donating the land trust the land encumbered by the conservation easement and we are requesting that the easement be assigned to the land trust. The easement, which was

Replies to New London only at:

TELEPHONE (860) 447-8077 / FAX (860) 447-9833

required by the commission as part of its subdivision approval, was never sent to the selectman for acceptance or approval and was solely a condition imposed and adopted by this commission. We are therefore of the opinion that the commission can assign the easement to the land trust. Section 7-3 (C) of the sub-division regulations allows the commission to require easements be given to the land trust or other appropriate organization. Section 7-4 provides that the commission shall accept the particular proposed document. If not accepted by the selectman, which this was not, as it was never approved since it was not forwarded, the documents are to be returned to the applicant. Similarly, in Phase II A of the Nottingham Hills Subdivision a Conservation Easement was recorded in Volume 742 Page 502 of the East Lyme land records, Ex. C that also was not forwarded to the Board of Selectman. Since the property encumbered by this Conservation Easement abuts the property being acquired by the East Lyme Land Trust we are also requesting this easement be assigned to the East Lyme Land Trust. I have enclosed as Ex. D an Assignment of these two Conservation Easements. Finally I enclose a letter from the East Lyme Land Trust agreeing to the assignment of these Conservation Easements. I have enclosed an Assignment of Conservation Easements as Ex. E.

We would propose that the commission approve the assignment of the easements to the land trust. Both the release of the aforementioned covenant and the assignment of easement will be held in escrow by my firm until we actually close the transfer to the land trust and the Department of Energy and Environmental Protection.

Sincerely,

Paul M. Geraghty

Conservation Easement

1465

KNOW ALL PERSONS BY THESE PRESENTS, that NEW ENGLAND NATIONAL, LLC and NIANTIC REAL ESTATE LIMITED LIABILITY COMPANY ("Grantors"), for the consideration of One Dollar (\$1.00) and other valuable consideration received to our full satisfaction of the Town of East Lyme, a municipal corporation, ("Grantee"), do give, and grant, and convey unto the Grantee, it's successors and assigns forever, the following:

A conservation easement to have all the force and effect for a "conservation easement" as defined by Section 47-42a of the Connecticut General Statutes for the purpose of retention of the hereinafter described land predominantly in its present natural and open condition in perpetuity.

The land subject to this conservation easement consists of those portions of the land located in the Town of East Lyme, County of New London, and State of Connecticut, which is designated as "Conservation Area" on a map entitled "NOTTINGHAM HILLS RESUBDIVISION PHASE 4 NEW ENGLAND NATIONAL, LLC East Lyme, Connecticut Sheet SD 1", prepared by J. ROBERT PFANNER & ASSOCIATES, P.C. CIVIL ENGINEERS & LAND SURVEYORS, and dated October 20, 2010, Revised 11/18/2010 to be filed in the East Lyme Land Records.

Within the said "Conservation Area", without prior express written consent from the Grantee or unless an alternative easement boundary is proposed and approved by the Planning Commission, or its successor in interest, as part of an application for a permit:

1. There shall be no construction or maintenance of buildings, camping accommodations, mobile homes, patios, decks, porches, or other structures except as specifically permitted below;
2. There shall be no filling, excavating, dredging, mining or drilling, removal of topsoil, sand, gravel, rock minerals or other materials, nor any change in the topography of the land in any manner, except as specifically permitted below;
3. There shall be no removal, destruction or cutting of trees or plants, spraying with biocides, herbicides, or their agents inimical to plant, animal or insect life, grazing of domestic or farm animals, or disturbance or change in the natural habitat in any manner, except as specifically permitted below;
4. There shall be no dumping of ashes, trash, garbage, or other unsightly or offensive material, and no changing of the topography through the placing of soil or other substances of material such as land fill or dredging spoils, except as specifically permitted below;
5. There shall be no manipulation or alteration of natural water courses, shores, marshes, or other water bodies or activities or uses detrimental to water purity, except as specifically permitted below;

NO
CONVEYANCE TAXES COLLECTED
Esther B. Williams
TOWN CLERK OF EAST LYME

989
VOL 0970 PAGE 689

VOL 0870 PAGE 690

6. There shall be no operation of motorized vehicles, including snowmobiles, dunebuggies and all terrain vehicles; and
7. There shall be no construction, improvement, or upgrading of roads, driveways, parking areas, carpaths, or footpaths except as necessary to maintain existing footpaths in the current condition or as specifically permitted below.

The provisions of the preceding restrictions notwithstanding, the following uses and activities by Grantors, and their heirs, successors and assigns, and any work or activity otherwise prohibited by the preceding restrictions which is reasonably necessary or appropriate in connection with such uses or activities shall not be prohibited by this Conservation Easement or considered inconsistent with the intent of this grant and are specifically permitted:

- a) The removal of dead, diseased, or damaged trees or other vegetation when such removal is necessary for reasons of safety, to control the spread of disease, or to control obnoxious plant growth such as cat brier, poison ivy, wild grape, oriental bittersweet, or other invasive species, and when such activities are conducted in a manner which will otherwise not be harmful to the remaining plant life; and
- b) Activities associated with an approved inland wetlands permit, such as, but not limited to, wetland mitigation or enhancement, stormwater management, or stormwater discharges.
- c) As to Conservation Area #2, use of the area for drainage and drainage structures, septic systems, wells and/or emergency access over existing accessway to Upper Kensington Drive.

Reserving to the grantor the right to use the servient tenements for any purposes not inconsistent with the restrictions herein granted.

This grant for Conservation Easement is intended to encompass the powers and rights granted pursuant to Sections 47-42a through 47-42c of the Connecticut General statutes as they may be amended from time to time, and the Grantee is hereby granted the right, in a reasonable manner and at reasonable times, to enforce by proceedings of law or in equity the covenants herein above set forth, including, but not limited to, the right to require restoration of the Conservation Easement area substantially to its condition immediately prior to any violation of the restrictions herein contained. The failure of the Grantee to act in any one or more instances to enforce such rights shall not act as a waiver or forfeiture of its rights to take action as may be necessary to insure compliance with the covenants and purposes of this grant; provided, however, nothing herein shall be construed to entitle the Grantee to institute any enforcement proceedings against the Grantors or the owners of the servient tenements for any changes to the Conservation Easement area due to causes beyond the control of the Grantor's or the owners of the servient tenements, such as changes caused by fire, flood, storm, earthquake, insect infestation, wildlife damage, or the unauthorized wrongful acts of third parties.

In the event that the Grantee becomes aware of an event or circumstance of noncompliance within the terms and conditions herein set forth, the Grantee shall give notice of such event or circumstance of noncompliance by certified mail, return receipt

Vol 0070 Page 691

requested, to the owner of the servient tenement of the property involved at his last known address, such notice to contain a request for corrective actions reasonable required to abate such event or circumstance of noncompliance and restore the conservation Easement area to substantially its previous condition.

Failure by the owner of the servient tenement to whom notice has been given to cause discontinuance or abatement or to undertake such other action as may be reasonably requested by the Grantee within thirty (30) days after receipt of notice shall entitle the Grantee to bring an action at law equity in a court of competent jurisdiction to enforce the terms of this Conservation Easement to require the restoration of the Conservation Easement area to substantially its previous condition, to enjoin such noncompliance by appropriate temporary or permanent injunction and/or to seek to recover damages arising from such noncompliance. Such damages, when and if recovered shall be applied by the Grantee first to any necessary corrective action on the Conservation Easement area, then to other damages incurred by the Grantee and arising from such noncompliance. Such damages, when and if recovered shall be applied by the Grantee first to any necessary corrective action on the Conservation Easement area, then to other damages incurred by the Grantee and arising from such noncompliance.

If a court of competent jurisdiction determines that an owner of the servient tenement has failed to comply with the terms and conditions of this conservation Easement, the owner shall reimburse the Grantee for any reasonable cost of enforcement, including court costs and reasonable attorney's fees. If such court determines that such owner was in compliance with the terms and conditions of this conservation Easement the Grantee shall reimburse such owner for court costs and reasonable attorney's fees, in addition to any other payments ordered by such court. The Grantors, for themselves, their heirs, successors and assigns, hereby waive any defense of laches with respect to any delay by the Grantee, its successors and assigns, in actions to enforce any restriction to exercise any rights under this grant.

This instrument shall be recorded on the land records to the Town of East Lyme and shall be governed by the laws of the State of Connecticut. In the event that any provision of clause of this instrument conflicts with any applicable law, such conflict shall not effect other provision of this instrument which can be given effect without the conflicting provision, and, to this end, the provisions hereof are declared to be severable.

IN WITNESS WHEREOF, I have hereunto set my hand this 12th day of Jan, 2011.

5. There shall be no manipulation or alteration of natural water courses, shores, marshes, or other water bodies or activities or uses detrimental to water purity, except as specifically permitted below;
6. There shall be no operation of motorized vehicles, including snowmobiles, dunebuggies and all terrain vehicles; and
7. There shall be no construction, improvement, or upgrading of roads, driveways, parking areas, carpaths, or footpaths except as necessary to maintain existing footpaths in the current condition or as specifically permitted below;

The provisions of the preceding restrictions notwithstanding, the following uses and activities by Grantors, and their heirs, successors and assigns, and any work or activity otherwise prohibited by the preceding restrictions which is reasonably necessary or appropriate in connection with such uses or activities shall not be prohibited by this Conservation Easement or considered inconsistent with the intent of this grant and are specifically permitted:

- a) The removal of dead, diseased, or damaged trees or other vegetation when such removal is necessary for reasons of safety, to control the spread of disease, or to control obnoxious plant growth such as cat brier, poison ivy, wild grape, oriental bittersweet, or other invasive species, and when such activities are conducted in a manner which will otherwise not be harmful to the remaining plant life; and
- b) Activities associated with an approved inland wetlands permit, such as, but not limited to, wetland mitigation or enhancement, stormwater management, or stormwater discharges.
- c) Activities or improvements as specifically approved by the Planning Commission and shown on the approved subdivision map, including use of such area as access to open space areas.

Except for such restriction, such Conservation Easement areas may be used without hindrance by the owners of the servient tenements.

This grant for Conservation Easement is intended to encompass the powers and rights granted pursuant to Sections 47-42a through 47-42c of the Connecticut General statutes as they may be amended from time to time, and the Grantee is hereby granted the right, in a reasonable manner and at reasonable times, to enforce by proceedings of law or in equity the covenants herein above set forth, including, but not limited to, the right to require restoration of the Conservation Easement area substantially to its condition immediately prior to any violation of the restrictions herein contained. The failure of the Grantee to act in any one or more instances to enforce such rights shall not act as a waiver or forfeiture of its rights to take action as may be necessary to insure compliance with the covenants and purposes of this grant; provided, however, nothing herein shall be

construed to entitle the Grantee to institute any enforcement proceedings against the Grantors or the owners of the servient tenements for any changes to the Conservation Easement area due to causes beyond the control of the Grantor's or the owners of the servient tenements, such as changes caused by fire, flood, storm, earthquake, insect infestation, wildlife damage, or the unauthorized wrongful acts of third parties.

In the event that the Grantee becomes aware of an event or circumstance of noncompliance within the terms and conditions herein set forth, the Grantee shall give notice of such event or circumstance of noncompliance by certified mail, return receipt requested, to the owner of the servient tenement of the property involved at his last known address, such notice to contain a request for corrective actions reasonable required to abate such event or circumstance of noncompliance and restore the conservation Easement area to substantially its previous condition.

Failure by the owner of the servient tenement to whom notice has been given to cause discontinuance or abatement or to undertake such other action as may be reasonably requested by the Grantee within thirty (30) days after receipt of notice shall entitle the Grantee to bring an action at law equity in a court of competent jurisdiction to enforce the terms of this Conservation Easement to require the restoration of the Conservation Easement area to substantially its previous condition, to enjoin such noncompliance by appropriate temporary or permanent injunction and/or to seek to recover damages arising from such noncompliance. Such damages, when and if recovered shall be applied by the Grantee first to any necessary corrective action on the Conservation Easement area, then to other damages incurred by the Grantee and arising from such noncompliance. Such damages, when and if recovered shall be applied by the Grantee first to any necessary corrective action on the Conservation Easement area, then to other damages incurred by the Grantee and arising from such noncompliance.

If a court of competent jurisdiction determines that an owners of the servient tonement has failed to comply with the terms and conditions of this conservation Easement, the owner shall reimburse the Grantee for any reasonable cost of enforcement, including court costs and reasonable attorney=s fees. If such court determines that such owner was in compliance with the terms and conditions of this conservation Easement the Grantee shall reimburse such owner for court costs and reasonable attorney's fees, in addition to any other payments ordered by such court. The Grantors, for themselves, their heirs, successors and assigns, hereby waive any defense of laches with respect to any delay by the Grantee, its successors and assigns, in actions to enforce any restriction to exercise any rights under this grant.

This instrument shall be recorded on the land records to the Town of East Lyme and shall be governed by the laws of the State of Connecticut. In the event that

any provision of clause of this instrument conflicts with any applicable law, such conflict shall not effect other provision of this instrument which can be given effect without the conflicting provision, and, to this end, the provisions hereof are declared to be severable.

MEMORANDUM

TO: Gary Goeschel, East Lyme Town Planner
cc: Paul Geraghty, Esq.

FROM: Kristen Clarke, PE

DATE: July 7, 2020

RE: Re-Subdivision – Nottingham Hills Lots 19 & 21

Mr. Goeschel :

Please accept this correspondence as my response to your email dated June 29, 2020 which I enclose as Ex. 1. Please also make this memorandum and its exhibits a part of the record of the above referenced Re-Subdivision Application of Nottingham Hills Subdivision lots 19 & 21.

As an initial matter, we submitted a plan entitled “4-lot re-subdivision of lots 19 & 21 conventional plan” on March 3, 2020 at the same time as our application to comply with the requirements of Section 4-2-4 of the East Lyme Subdivision Regulations. I enclose a copy of the plan as Ex. 2.

Additionally, we provided at the time of application on March 3, 2020

- A) A Map Entitled “Topographic Survey of Lots 19 & 21 Nottingham Hills Subdivision, East Lyme Connecticut, Dated March 26, 2019, Prepared for Property Owner: English Harbour Asset Management LLC, c/o Kristen Clarke P.E., 375 N. Bend Drive, Manchester, New Hampshire, **Prepared, Signed and Stamped by Donald L. Gesick Jr. L.S., Reg. No. 18417, Gesick & Associates, P.C., 19 Cedar Island Ave., Clinton, Connecticut 06413**”. This Map was met and intended to provide the information required by Section 5-2-3C of the Subdivision Regulations. Ex. 3.
- B) A Map Entitled “Lot Line Revisions, Nottingham Hills Subdivision Lots 19, 20, 21, & 32, Property Owner: English Harbour Asset Management LLC, c/o Kristen Clarke P.E., 375 N. Bend Drive, Manchester, NH, dated February 1, 2019 and revised through 11/8/2019, **Prepared, Signed and Stamped by Donald L. Gesick Jr. L.S., Reg. No. 18417, Gesick & Associates, P.C., 19 Cedar Island Ave., Clinton, Connecticut 06413**”. This map was met and intended to provide documentation and support for the compliance and intent of the Open Space provisions of the Conservation Design Development Regulations, Chapter 23 of the East Lyme Zoning Regulations. Ex. 4.

I would also like to address Mr. Beni's apparent distress over the proposed subdivision plan, and revisions thereto, dated January 29, 2020 being marked "Draft". Under normal and customary practices, at least that I am aware of, a "draft submission" allows us to receive staff comments and make revisions prior to the commission's "first look" at an application's plans. In the case of this application we received staff comments for the first time on June 30, 2020 nearly four months after submission of the initial plans on March 3, 2020. With regards to Mr. Beni's comments purportedly dated 3/30/2020, I would note that there have been two (2) revisions since that date based upon the input from the Inland Wetlands Agency making most of Mr. Beni's comments moot. We will address the remaining minor revisions addressed in Mr. Beni's in our updated plans, will add the revision(s) date and will delete the "DRAFT" reference to alive Mr. Beni's apparent distress. I have attached a copy of the "email trail" regarding Mr. Beni's March 30, 2020 comments as Ex. 11 and would note for the record you apparently had never received Mr. Beni's "comments" either. (see email Goeschel to Beni June 29, 2020; 4:40 p.m.) "Can you forward your March 30th comments to me. I for some reason don't have a copy in the file". The fact their neither of us received them demonstrates a lot.

I would also like to address the fact I have submitted numerous documents to you as Director of Planning via email; cc'd to Jen Lindo, that do not appear in the online "materials" section of the East Lyme Planning Commission web page. It is my understanding all documents making up the record are required to be uploaded. Those documents, exclusive of this email and exhibits, are as follows:

<u>Ex. No.</u>	<u>Date</u>	<u>Subject of Document</u>	<u># of Pages</u>
1.	June 29, 2020	Email form Gary Goeschel	1
2.	March 3, 2020	Yield Plan	1
3.	March 3, 2020	Cultural Resources Plan	1
4.	March 3, 2020	Lot Line Revision Plan	1
5.	March 16, 2020	Email from Jen Lindo Cancellation of April 7, 2020 Public Hearing	1
6.	March 16, 2020	Letter from Gary Goeschel Notice of rescheduled Public Hearing :May 5, 2020	1
7.	4/20/2020	Email to Goeschel Re: Abutter (Thomas)	2
8.	4/23/2020	Email re Compliance with 3/16/2020 letter from Goeschel re: site sign, certificate of mailing	46

9.	4/23/2020	Email re: Plan Revisions, Open Space Letter from East Lyme Land Trust	3
10.	6/22/2020	Plan Revisions	2
11.	6/30/2020	Email form Goeschel Beni Plan Comments	2

Mr. Goeschel, We are more than willing and prepared to comply with the East Lyme Subdivision Regulations for this and all other upcoming applications. We believe we have provided you, the Planning Commission and Ledge Light Health District, in good faith, that which is required. As you bore witness, we were more than willing to respond to concerns of the Inland Wetland Agency while navigating that process that they ultimately determined they had no jurisdiction over.

Subject: FW: Conservation Design Development - Nottingham Hills Subdivision - 4 Lot Resubdivision of Lots 19 & 21 - January 29, 2020

Kristen and Paul,

Upon cursory review, the revised plan that was recently submitted June 25, 2020, needs to be stamped and signed by a land surveyor and engineer licensed in the state of CT, the "Draft" label removed, and the Revisions block updated to accurately reflect the revision date before staff completes any further review (see Victor's email below).

In addition, you will need to provide a Yield Plan pursuant to section 4-2-4 and a Resource Impact and Conservation Plan pursuant to Section 5-2-2(C). Also, I didn't see any Erosion and Sedimentation control notes on the plan. As such, you will need to provide an Erosion and Sedimentation Control Plan in accordance with Section 5-2-2(G), which requires a narrative on the site plan describing the following:

1. The development;
2. The schedule for grading and construction activities including:
 - a. Start and completion dates;
 - b. Sequence of grading and construction;
 - c. Sequence for installation and/or application of soil erosion and sediment control measures;
 - d. Sequence for final stabilization of the project site.
3. The design criteria for proposed soil erosion and sediment control measures and stormwater management facilities;
4. The construction details for proposed soil erosion and sediment control measures and storm water management facilities;
5. The installation and/or application procedures for proposed soil erosion and sediment control measures and stormwater management facilities;
6. The operations and maintenance program for proposed soil erosion and sediment control measures and stormwater management facilities;
7. Identification of a designated on-site individual responsible for installation, monitoring and correction of sediment control plan requirements and authorized to take corrective actions, as required, to ensure compliance with certified plans.

Please note, Section 5-2-2 (G) i. b. 10, requires a certification block Certification block entitled, "Erosion and Sedimentation Control Plan Certified by vote of the East Lyme Planning Commission on (date)" and a space for the signature of the Chairman or Secretary of the Commission. Finally, while there are no public improvements proposed, I would suggest submitting a construction sequence report for the driveway and rain garden. Please advise if you do not have a copy of Mr. Benni's March 30, 2020 review comments and we will get them to you immediately.

If you have any questions regarding this email or any of the Subdivision Regulations, please do not hesitate to contact me.

Thank you,
 Gary

Subject: Conservation Design Development - Nottingham Hills Subdivision - 4 Lot Resubdivision of Lots 19 & 21 - January 29, 2020

Gary,

I just checked the Plan referenced above and noticed that it is still labelled as a "Draft" plan and the Revisions block has not been updated with a revision date. The Subdivision Plan and Design Report referenced in my comments to you from 3/30/2020 would also need to be updated and submitted for me to complete any future reviews.

Thanks,

Vic

Victor Benni, P.E.

Subject: Nottingham Hills Subdivision Public Hearing Change

Good Morning Kristen,

In light of the public health concerns over COVID-19, the Town of East Lyme is cancelling its public meetings of its Boards and Commissions for approximately one month.

Your 4-lot subdivision application for 22 and 24 Upper Kensington Dr was scheduled to be heard on April 7, 2020, and that meeting has been cancelled.

We hope to resume regular meetings in May, the first meeting would be May 5, 2020. We are anticipating to open your public hearing at that time. I have corrected the legal ad and will be sending you a new notification letter.

We apologize for the inconvenience, and appreciate your consideration and patience as we all work together to get through this. Please confirm receipt of this email.

If you have any questions please contact Gary directly.

Be well,

Jennifer

RE: PUBLIC HEARING NOTICE
22 and 24 Upper Kensington Dr, East Lyme, Subdivision

Dear Ms. Clarke,

Please be advised that the above referenced Subdivision application has been re-scheduled for public hearing on May 5, 2020. Pursuant to Section 4-4-3 of the Town of East Lyme Subdivision Regulations as the applicant you shall mail notification of the pending application to at least one owner of each property within 200 feet or less, not more than fifteen days nor less than two days before the date set for the public hearing, and evidence of such mailing, in the form of US Post Office Certificates of Mailing shall be submitted for inclusion into the record of the hearing. The applicant is further required to post a sign, at least fifteen days prior to the public hearing.

If you have any further questions please do not hesitate to contact the Director of Planning at (860) 691-4105 or visit the East Lyme Planning Department.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary A. Goeschel II", is written over a horizontal line.

Gary A. Goeschel II
Director of Planning

Dear Mr. Goeschel,

We have not spoken to Mr. Thomas however I would like to point out the following to you based on the revised plan I forwarded to you earlier today;

- 1) Each of the 3 lots to be built upon exceed 40,000 s.f. in size
- 2) Lot 4 is being donated to the East Lyme Land Trust, Inc. despite there being no obligations (under the applicable East Lyme Subdivision or Zoning Regulations i.e. CDD) to do so.
- 3) The existing Declaration of Covenants and Restrictions actually requires 2600 s.f. Based upon an 56' x 30' footprint Mr. Pazzaglia can easily provide the the required 2600 s.f. by either adding a second floor or walk out "lower level".
- 4) In addition to the notice of public hearing which will be mailed this week per your 3/16/2020 letter to me we intend to provide a copy of the proposed re subdivision plan which will demonstrate to Mr. Thomas, and all other abutter's that the land directly behind his house (Proposed Lot 4) will remain in "Open Space in perpetuity".

Please feel free to contact me should you require further information.

Kristen T. Clarke P.E.

Subject: Upper Kensington Drive in East Lyme

Hello, I live at 26 Upper Kensington Drive in East Lyme. I understand that there were 2 lots behind my house that was supposed to use a shared driveway. Now I see a sign about a proposed sub division. Would you have any more detailed information? When we bought our lot we were told all homes needed to be on a minimum on 1 acre and when I spoke to the owner last year he told me he was shrinking the lots and selling the rest to the East Lyme land trust so it is a little bit of a shock to me that there is a proposed sub dividing in an area in

4/20/2020

Re: Fw: Upper Kensington Drive in East Lyme

which there were only 2 lots. When we built our house there were minimum square footage requirements and such 2700 sq feet. Is he putting in a bunch of small houses with no property?

Any info would be greatly appreciated.

Regards,

Stephen Thomas

FROM: Kristen Clarke, P.E.

DATE: April 23, 2020

SUBJECT: Re-Subdivision of Nottingham Hills Subdivision Lots 19 & 21

On behalf of our client Pazz and Construction LLC, we are required by the Town of East Lyme Subdivision Regulations Section 4-4-3 to provide you notice of the Public Hearing scheduled for May 5, 2020, Ex. A, due to the fact your property is located with 200 feet of property being subdivided, Ex. B.

We have also enclosed the following:

1. A copy of the proposed four lot re-subdivision plan. Ex. C. Please note that proposed lot 4 (Highlighted in Green) is being donated to the East Lyme Land Trust, Inc. ("ELLT") for open space. This lots abuts the nearly 38 acre parcel of land that ELLT will be closing the purchase of next month, Ex. D.
2. A copy of the letter from the East Lyme Land Trust, Inc. accepting the proposed donation of Lot 4, Ex. E.

Should you have any questions regarding the enclosed please feel free to email me at kristentclarke@gmail.com.

RE: PUBLIC HEARING NOTICE
22 and 24 Upper Kensington Dr, East Lyme, Subdivision

Dear Ms. Clarke,

Please be advised that the above referenced Subdivision application has been re-scheduled for public hearing on May 5, 2020. Pursuant to Section 4-4-3 of the Town of East Lyme Subdivision Regulations as the applicant you shall mail notification of the pending application to at least one owner of each property within 200 feet or less, not more than fifteen days nor less than two days before the date set for the public hearing, and evidence of such mailing, in the form of US Post Office Certificates of Mailing shall be submitted for inclusion into the record of the hearing. The applicant is further required to post a sign, at least fifteen days prior to the public hearing.

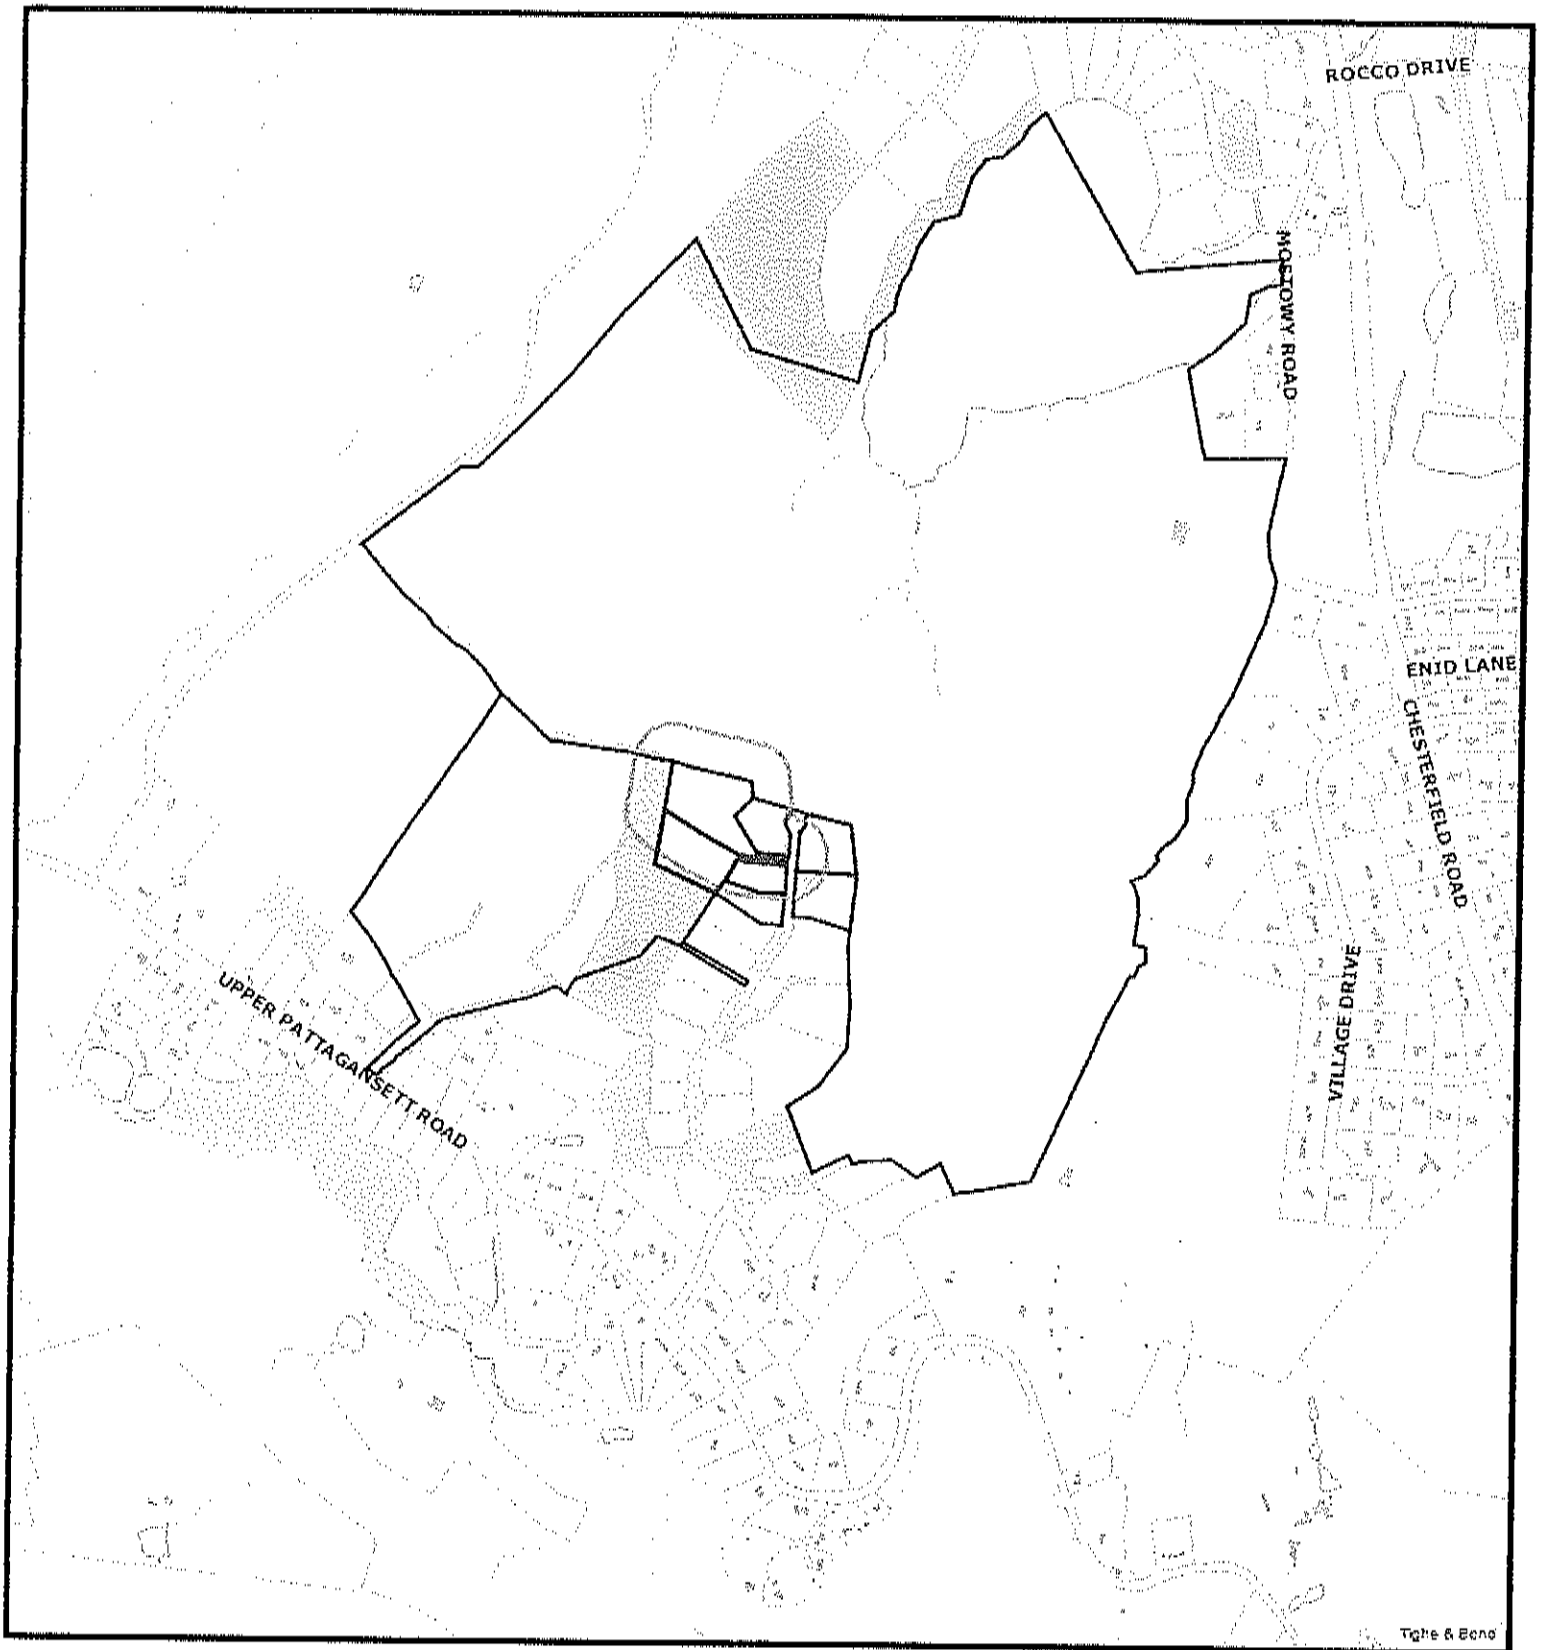

If you have any further questions please do not hesitate to contact the Director of Planning at (860) 691-4105 or visit the East Lyme Planning Department.

Sincerely

A handwritten signature in black ink, appearing to read "Gary A. Goeschel II", is written over a horizontal line.

Re: Donation of Land

Dear Mr. Pazzaglia:

Please accept this correspondence as notice of the East Lyme Land Trust's acceptance of your and or Pazz Construction LLC's offer to donate the property known as lot #4 identified on a plan for re-subdivision of Nottingham Hills Subdivision lots 19 & 21 presently ending before the Town of East Lyme Planning Commission.

This property abuts land we will be acquiring shortly and will provide us with an additional Public Road access location.

We thank you for your generosity.

Jason Pazzaglia-Contract Purchaser/Applicant
Paul Geraghty, Esq.

FROM: Kristen Clarke, P.E.

DATE: April 20, 2020

SUBJECT: Revised Re-Subdivision Plan
Nottingham Hills Subdivision Lots 19&21

Attached is the revised re subdivision plan that incorporates the changes requested by Mr. Pazzaglia;

1. The house footprints on all four lots have been changed in size to 56'x30'.
2. The lot lines between lots 1&2, 2&3 and 3&4 have been changed to accommodate the new house foot prints.
3. Septic areas have been modified as follows:
 - Lot 1 We rotated northeast corner of the proposed system area to match grade contour
 - Lot 2 We moved the system area to conform to this systems already approved feasible area (Lot 19 Phase 3 Approval)
 - Lot 3 No Changes
 - Lot 4 We moved the proposed system area 20' in an easterly direction.

Note As to Lot 4. This lot is being donated by Mr Pazzaglia to the East Lyme Land Trust for Open Space.

MEMORANDUM

TO: Gary Goeschel, East Lyme Town Planner
FROM: Kristen Clarke, P.E.
DATE: June 22, 2020
RE: Re-Subdivision – Nottingham Hills Subdivision Lots 19 & 21

1. We have increased the scale to 1"=30' for easier review.
2. We have relocated the house locations on proposed lot 1 further away from the Inland Wetland Upland Review area.
3. We have directed the impervious surface drainage from all three proposed lots to the rain garden.
4. We have modified the land area to be donated to the East Lyme Land Trust.

Fee Interest .20 acre
Conservation Easement TBD acres

We will finalize the easement area once I am finished with the Ledge Light Health District permitting for septic/well locations.

5. We have modified the septic and well locations as follows:
Proposed Lot 1: Test hole 332 – no change
Proposed Lot 2: Test hole "B"
Proposed Lot 3: Test hole "A"/perk test (both from 2005 approved plans)
6. We have eliminated lot 4 because we can transfer land to the East Lyme Land Trust without creating an additional lot per the Connecticut General Statutes.
7. We have extended erosion and sedimentation control (silt fence) to the entirety of the 100' Upland Review area of the Inland Wetlands on or near the subject properties.

Gary,

I just checked the Plan referenced above and noticed that it is still labelled as a "Draft" plan and the Revisions block has not been updated with a revision date. The Subdivision Plan and Design Report referenced in my comments to you from 3/30/2020 would also need to be updated and submitted for me to complete any future reviews.

Thanks,

Vic

Re: 22 & 24 Upper Kensington Drive – Nottingham Hills
Subdivision Application Review

Information submitted by the Applicant which was considered in this review:

- Topographic Survey of Lots 19 & 21, Nottingham Hills Subdivision, East Lyme, Connecticut, Sheet: 1 of 1, Date: 3/26/2019, by: Gesick & Associates, P.C.
- Subdivision Plan, Proposed CDD Re-Subdivision, Nottingham Hills Subdivision, Phase 3, 4 Lot Resubdivision of Lots 19 & 21, Conventional Plan, East Lyme, Connecticut, Sheet: 1, Date: None Listed, by: No Source Listed.
- “Draft” Conservation Design Development, Nottingham Hills Subdivision, 4 Lot Resubdivision of Lots 19 & 21, Sheet: 1 of 1, Date: 01/29/2020, by: Gesick & Associates, P.C.
- Design Report, 4 Lot Re-Subdivision, Upper Kensington Drive, East Lyme, Connecticut, Submitted with Application.

This office has reviewed the above referenced information and has the following general comments:

1. All plans (Topographic, Subdivision, Site Plan, & Etc.) shall be signed & sealed by the appropriate professional(s). The Conservation Design Development plan should be updated from “Draft” status. Additional review by the East Lyme Engineering Department will be necessary, based on signed & sealed drawing set.
2. The Design Report indicates that the fourth lot will be deeded to the East Lyme Land Trust. The “Draft” Conservation Design Development (CDD) plan conflicts with this scenario, depicting a full single-family residential buildout of Lot 4.
3. The Design Report indicates no activity being proposed in the wetlands or the 100’ upland review area. The “Draft” CDD plan conflicts with this scenario, depicting a septic tank and leaching area in the 100’ upland review area for Lot 2.
4. The Design Report indicates that roof drainage “gutters” will be tied into footing drains. This is not an accepted practice; roof drainage shall not tie into footing drain system.
5. Update the Subdivision Plan to include symbols and labels for existing and proposed property corners for Lots 1 thru 4.
6. Update the Subdivision Plan to include access/utility easement information over Lots 1 & 3, in favor of Lots 2 & 4.
7. Update the Subdivision Plan to include more accurate and clear information regarding the building setback lines for all four lots.
8. Update the Subdivision Plan to include labels for the proposed buildings, access drives, and Upper Kensington Drive.

9. Update the "Draft" CDD plan to include proposed grading, limit of disturbance, proposed driveway(s) extending to Upper Kensington Drive, proposed drive grades & widths, proposed underground utilities, and footing drain & roof drain outlets.

10. Update the drawing set to include erosion & sedimentation control measures, E&S Narrative, and E&S details. The following minimum control measures shall be taken into consideration: construction access, silt fence, haybales, temporary haybale check dams, permanent stone check dams, tree protection, stockpiles, and erosion control blankets.

11. While updating the drawing set, the Engineering Department recommends that the Applicant incorporate the requirements of the following sections of the Subdivision Regulations:

- Section 5-2-2(B)ii – Topography, indicate slopes between 15% & 25%, and exceeding 25%;
- Section 5-2-2(D) - Subdivision Improvement Plan/Construction Plan;
- Section 5-2-2(E) – Stormwater Management Plan;
- Section 5-2-2(F) – Grading Plan;
- Section 5-2-2(G) – Erosion and Sedimentation Control Plan;
- Section 6-1-2(G) – Stone Walls;
- Section 6-1-2(M) – Slopes;
- Section 6-2-5 – Lot Access:
 - (A) Incorporate drainage into driveway designs;
 - (B) Paved at appropriate slopes;
 - (C) 18' width for shared drives;
 - (D) Bituminous concrete from edge of street to right-of-way line; and
 - (F) Depict & label all access/utility easements.
- Section 6-8 – Stormwater Management; and
- Section 6-17 – Underground Utilities.

**RE: East Lyme Inland Wetlands Determination of Permitted/Non-Regulated Activity
East Lyme, Connecticut, Tax Assessor's Map# 40.0 Lot#22 & 23**

Dear Ms. Clarke,

The Inland Wetlands Agency reviewed your Application for Determination of Permitted/Non-Regulated Activity for a 4-lot re-subdivision of property at 22 and 24 Upper Kensington Dr at its June 8, 2020 meeting.

The Agency has determined that since no activity is occurring in the upland review, wetland or watercourse, no permit is required.

Please feel free to contact me if you should have any questions regarding this or any other Wetland matter.

Sincerely,

Gary Goeschel, II
Inland Wetland Agent

Sheet Index

- Sheet 1 - Title Sheet
- Sheet 2 - Existing Conditions Survey
- Sheet 3 - Site Plan
- Sheet 4 - Septic & Well Plan

Notes

- 1) THIS SURVEY PLAN HAS BEEN PREPARED PURSUANT TO THE REGULATIONS OF CONNECTICUT STATE AGENCIES SECTION 20-300B-1 THROUGH 20-300B-20 AND THE "STANDARDS FOR SURVEYS AND MAPS IN THE STATE OF CONNECTICUT" AS ADOPTED BY THE CONNECTICUT ASSOCIATION OF THE LAND SURVEYORS, INC. ON SEPTEMBER 26, 1996.
 - A. TYPE OF SURVEY: TOPOGRAPHIC SURVEY
 - B. WITH RESPECT TO THE PERIMETER OF THE PROPERTY THE BOUNDARY DETERMINATION IS BASED UPON A RESURVEY OF REFERENCE MAP #6.
 - C. THIS SURVEY CONFORMS TO THE STANDARDS AND THE ACCURACY OF CLASS: A-2 HORIZONTAL ACCURACY.
 - D. BEARINGS AS DEPICTED ARE BASED UPON THE CONNECTICUT GRID SYSTEM NORTH AMERICAN DATUM OF 1983
 - E. THE INTENT OF THIS MAP IS TO DEPICT THE EXISTING CONDITIONS OF THE PROPERTY
- 2) BOUNDARY LINES OF ADJOINING PROPERTIES ARE SHOWN FOR GENERAL INFORMATION PURPOSES ONLY AND ARE NOT TO BE CONSTRUED AS BEING ACCURATELY LOCATED OR DEPICTED.
- 3) THE WORD "CERTIFY" AS USED IS UNDERSTOOD TO BE AN EXPRESSION OF PROFESSIONAL OPINION BY THE SURVEYOR. IT IS A DECLARATORY STATEMENT, WHICH IS BASED ON HIS BEST KNOWLEDGE, INFORMATION AND BELIEF. AS SUCH IT CONSTITUTES NEITHER GUARANTEE NOR WARRANTY, EXPRESSED OR IMPLIED, OF ANY INFORMATION CONTAINED HEREON. NO CERTIFICATION IS EXPRESSED OR IMPLIED ON ANY ORIGINAL OR ANY DUPLICATE OF THIS MAP UNLESS IT BEARS AN ORIGINAL STAMP OR SEAL AND ORIGINAL SIGNATURE OF THE INDIVIDUAL WHOSE REGISTRATION NUMBER APPEARS HEREON.
- 4) THIS MAP IS THE PROPERTY OF GESICK & ASSOCIATES P.C. AND HAS BEEN SPECIFICALLY PREPARED FOR THE OWNER OF THIS PROJECT OR PROPERTY. IT IS NOT TO BE DUPLICATED OR USED IN PART OR WHOLE FOR ANY OTHER PURPOSE, PROJECT, LOCATION, OR OWNER WITHOUT THE EXPRESS WRITTEN CONSENT OF GESICK & ASSOCIATES P.C.
- 5) JASON PAZZAGLIA IS THE INDIVIDUAL RESPONSIBLE INSTALLATION, MONITORING AND CORRECTION OF ALL EROSION AND SEDIMENTATION CONTROL MEASURES.
