The East Lyme Police Department has made significant progress to transition from a more reactive agency, to one which focuses on more proactive enforcement. Our staffing and funding continues to remain below both national average and regional comparison. Currently the ELPD is staffed at 1.3 Officers per 1,000 population, while the State average is 2.07 according to the Office of Legislative Research, which places us as the 5th lowest per capita staffing out of the State's 94 municipal departments. This line is being increased to reflect contractual increase and the addition of two (2) Police Officers to continue our work towards properly staffing Policing in the Town of East Lyme. <b><u>BoF reduced one of the proposed new officers \$60,445</u></b>
512	Part Time Police salaries	13,048	There is currently one part time police officer. There are sixteen (16) four hour shifts per month dedicated for part time officers. These events include police coverage at summer concerts, Celebrate East Lyme, the Holiday Stroll, the Niantic Light Parade and others. In an effort to keep costs for overtime low, the department has been utilizing "Mutual Aid" police officers for the larger events in town. These Mutual Aid officers are provided by surrounding towns at no cost to the Town of East Lyme. The savings provided by utilizing these officers has led to increased beach and foot patrols in downtown Niantic and at the various Beach Associations throughout the summer months. It also funds Police coverage at four of the five East Lyme High School football games. This line is being increased to reflect contractual increase

This is also for follow up investigations, narcotics enforcement/surveillance, court subpoena, specialized call outs (accident, crime scene, K9).
