Dear Bill and Jenn,

Thank you for referring the above noted Zone Change referral to our office. As the proposal is a site specific zone change, not a regulation change, and located outside the coastal boundary, it is Not subject to Section 22a-104(e) of the CCMA, with mandatory referral zone change provisions.

Therefore, we will not be commenting at this time.

Thank you.  
Sincerely,

Marcy L. Balint, Sr. Coastal Planner
