

Minutes

September 2021 Agribusiness Meeting

East Lyme High School

6:30 PM

Members present: Mark Christensen, Tom Kalal, Thomas Hall

Guest present: Janice Ostrueski of Virginia

Delegations: Janice Ostrueski of Virginia attended and spoke about the need for sustainable and viable agriculture in East Lyme. She suggested publicity and educational efforts to get the word out. She has previously worked for FEMA. Ideas that were discussed by members will be further discussed at the October meeting.

Facebook Posts: Tom Kalal agreed to make some Facebook posts on EL agriculture, to include local food production and supply in the case of natural or man-made disasters that impact transport of food.

Educational Efforts: Preserving home grown food via canning.

Sustainable CT: N/A

Mini Orchard: OK to use Samuel Smith Property for 15 trees.

Meeting Adjourned 7:40 PM
