Public Delegations

Time set aside for the public to address the Commission on subject matters not on the Agenda.

Public Hearing

1. Application of Theodore A Harris for Gateway Development/East Lyme LLC to amend the East Lyme Zoning Regulations to add proposed section 11.A.9. This proposal serves as an alternative to the existing Zoning regulatory guidelines in the Gateway Zoning District and would establish zoning requirements for development under a set of "Master Development Plan" regulations. The proposal provides the specific criteria for mixed-use development (retail & residential), building sizes, eligibility, submission requirements, approval criteria, implementation phasing and public improvements.
2. The East Lyme Zoning Commission proposal to amend the Zoning Regulations Section 20 of the code, specifically to delete from Section 20.1.1 "public schools, fire departments, libraries and other Town Buildings and uses". And to add a new section (F) "Town Buildings and Uses" to Section 20.1.2. This change would require a special permit approval from the Zoning Commission for all Town buildings and uses.
