Subject: Public Hearing cancelled <<Not-Sensitive>>

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

It appears that the process has changed since we had our last public hearing and the Town Clerk no longer notices public hearings for commissions. Due to this misunderstanding, I was not aware the notice would not be filed and we are too close within the window to properly notice the public hearing. I will try to find out what the new process will be for noticing public hearings and how they are supposed to be paid for and I will try to set this up for next month. I will file an agenda for our regular meeting later this week.

To be clear, the public hear for this month is hereby cancelled.
