Mr. Hughes swore in Mr. McTurk.

Mr. McTurk said that his 2006 Blue Cobra is a kit car and has shown a 400% increase with the \$18,590 assessed value.

Mr. Hughes noted that the value went up.

Mr. Cicchiello asked the basis for his claim.

Mr. McTurk said that it is a depreciating asset and he is looking for a \$14,000 assessed value.

**2) David Camassar – 29 Pattagansett Drive – List #50114**

Mr. Hughes swore in Mr. Camassar.

Mr. Camassar said that he was representing his son Allen and his 2007 Camry. He said that it is 15 years old, has high mileage (126,000 miles) and needs work. He is looking for the \$4,320 to be reduced to \$2500.

The Board viewed the vehicle.

**3) Nancy Field – 6 Plants Dam Road – List #80224**

Mr. Hughes swore in Ms. Field.

Ms Field said that she has a 2016 pull behind camper travel trailer.

The original bill of sale was \$8500; it is now assessed at \$14,000. She said that she is looking for a \$5,000 reduction in the assessment. It is a 13' Whitewater 130 by Riverside that is no longer made. It also has damage to it – the pull-down step to get in no longer works; the refrigerator grill in back is missing, the table is not removable so that it can be used outside of the camper and it is porta-potty only.

Mr. Hughes noted the NADA book lists it at \$4100-\$7100.

**4) John Spiliotis – 24 Egret Road – List #231268**

Mr. Hughes swore in Mr. Spiliotis.

Mr. Spiliotis said that his 2019 Jeep Cherokee Latitude is a 4 cylinder AWD vehicle with very high mileage – 150,000 in October of 2021 and 192,000 now. He had originally leased it and then purchased it. He said that in Edmunds it is \$15,695, he would like to see a reduction of \$5950 due to the high mileage.

**5) Chris Hermann – 26 North Main Street – List #100548; List #100549; List #100551 & List #100554**

Mr. Hughes swore in Mr. Hermann.

Mr. Hermann said that he is here for four (4) re-built salvaged vehicles:

- **2017 Toyota Prius**

Mr. Hermann said this is a 4-door and is a re-built salvaged vehicle. It is assessed at \$13,940 and he thinks it should be \$10,455. His appeal is due to the salvage title.

- **2015 Camaro**

Mr. Hermann said that this is a re-built V-8, assessed at \$27,870 and he feels that it should be \$20,902 due to the salvage title.

- **2013 Mustang**

Mr. Hermann said that this is also re-built salvage with 136,000 miles on it. It is assessed at \$13,100 and he is looking for a reduction to \$9825.

Mr. Hermann said that he drove this vehicle here. It is also re-built salvage. It is assessed at \$18,880 which he feels is too high.

Mr. Cicchiello said that this is an appeals board and that they can ask him to document the basis for his appeal.

Mr. Godbout said that he uses the bankruptcy courts methods with regard to vehicles. He explained how they use the NADA book and said that he did it that was.
