Minutes of August 24, 1995

Motion by Paul Formica to accept the Minutes of Aug. 24, 1995 as presented. Seconded by Shawn McLaughlin, and so voted 6-0.

OLD BUSINESS:

1. Subcommittees.

Wayne Fraser reported he has been working on Site Plans and on down to Buffer strips. He said he will have the reasons why we have made any change so that Planning will understand why the change was made. He said we are working on buffer strips, and the parking area landscaping will be considered. He asked that anyone with ideas get in touch with him.

No correspondence and no new business.

Ex-officio Report.

Donn Jourdan commended the Board for the manner they conducted these hearings. He also said the issue is not dead as to the clean-up of Niantic Aluminum. He said the injunction against them is being enforced. They are asking the Board of Finance again for the money. There will be a lien put on the property so we can get the money back some day, he said.

Motion by Athena Cone to adjourn at 10:45 p.m.; duly seconded by Norman Peck III and so voted unanimously.
