## GENERAL INFORMATION

1) If your can is damaged, after notifying us via email, we will need you to leave it out by the street until one of our staff inspects.
a. If we determine that the can should be covered under the warranty, then we will provide another can free of charge
b. If we determine that the can was damaged due to normal wear and tear and will not be covered under warranty, then if you want a new can you will need to pay for the new can and we will take back the damaged can.
c. Please understand that most of the original cans in our system are coming up on 18 years old and will no longer be under warranty
d. Someone from the PW Staff will get back in touch with you regarding whether your can falls under a or b .
2) If the garbage can request is for a new home that had never has a can before, you will receive one free 96 -gallon recycling can and you will need to pay for a new trash can. Once we receive payment, we will drop the can off in front of your property .
a. "FIRST CAN" only applies to NEW CONSTRUCTION homes not existing homes with new owners without cans.
3) If a resident wants an additional recycling can, they can purchase one for $\$ 220$. Max LIMIT of 2 Cans
4) If a resident wants an additional garbage can, they can purchase one for \$220. Max LIMIT of 2 Cans
5) Recycling and Garbage rules apply to a buisness or residence.
