Lengthy discussion on integrating Ag educational opportunities to E.  
Lyme Schools. Continued discussion/ideas needed.

There was a brief discussion on Earth Day 2024. The music was too loud  
this year, despite complaints.

Tractor show flyers will be posted throughout town in the upcoming  
days, it's best to advertise just a couple weeks before the event. Jan will  
get some radio advert on Lee Elci's show 94.9FM

There was continued discussion on Cost of Community Services info.  
The general idea was to make the public aware of costs of development  
in town vs. tax revenue and services provided.

A Delicious Potluck supper was served, the meeting was adjourned  
9:00, with many thanks to Jan for hosting the meeting.
