Best Management Practices

The registrant and operator, if different from the registrant, must certify that the facility is in compliance with all the best management practices set forth the Aquifer Protection Area Regulations.

"I certify that the subject facility is in compliance with all the best management practices of the Aquifer Protection Area Regulations. I have checked the box by each of the following statements as verification that the subject facility is in compliance with all applicable best management practices."

- Storage of hazardous materials above ground is in compliance with all provisions of the Aquifer Protection Area Regulations.
- The number of underground storage tanks used to store hazardous materials shall not increase in accordance with the Aquifer Protection Area Regulations.
- Replacement of any underground storage tanks used to store hazardous materials shall take place in accordance with all provisions of the Aquifer Protection Area Regulations.
- Devices for release of wastewaters to the ground shall not be used except in accordance with the Aquifer Protection Area Regulations.
- A Materials Management Plan has been developed in accordance with the Aquifer Protection Area Regulations and will be implemented upon issuance of a registration.

Signature of Operator (if different than above)	Date
Name of Operator (print or type)	Title (if applicable)

Applicant Certification

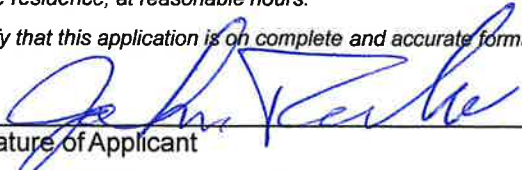

The applicant *and* the individual(s) responsible for actually preparing the application must sign this part. An application will be considered incomplete unless all required signatures are provided.

"I have personally examined and am familiar with the information submitted in this document and all attachments, and I certify, based on reasonable investigation, including my inquiry of the individuals responsible for obtaining the information, the submitted information is true, accurate, and complete to the best of my knowledge and belief.

I understand that any false statement made in the submitted information is punishable as a criminal offense, under Section 53a-157b of the General Statutes and any other applicable law.

I understand that the agency or its duly authorized agent may make regular inspections of the facility and associated property, except a private residence, at reasonable hours.

I certify that this application is on complete and accurate forms as prescribed by the Agency without alteration of the text."
