

**EAST LYME WATER & SEWER COMMISSION
APPLICATION & CONTRACT FOR WATER SERVICE**

The undersigned hereby applies for the services set forth below and agrees that this application shall be effective only when accepted by the Commission or its designees. The undersigned further agrees to pay all applicable charges, abide by all applicable statutes, ordinances and regulations set forth by the East Lyme Water & Sewer Commission and East Lyme Board of Selectman, and if water service is applied for, take water service when made available to the applicant's property or pay the minimum charges thereof.

The Commission or its designees may accept this offer and notify the applicant of acceptance by either (a) providing the service requested or (b) mailing its acceptance to the undersigned at the address set forth below.

1. Connection Checklist	Paid	Due	Amount Due
A. Permit Payment	()	()	_____
B. Benefit Payment	()	()	_____
C. Connection Cost	()	()	_____

The Commission also requires a minimum \$5,000 surety bond naming the contractor OR East Lyme Water & Sewer (must include OR), a \$2,000,000 insurance policy naming the East Lyme Water & Sewer Commission as insured, and a copy of the contractor's license (P1 or P7). Depending on the nature of the work performed, the commission or its designees reserve the right to require a larger bond and/or insurance amount.

2. Property Information

- A. Owner: _____
- B. Tax Map & Lot Number: _____
- C. Street Address: _____
- D. Mailing Address (if different from above):

3. Type of Property

- () Residential Modular unit Y__ N__ No. Stories _____ No. Family Units _____
- () Commercial No. Stories _____ () Industrial No. Stories _____

4. The applicant agrees to physically disconnect the private well serving the property (including any pump, tank piping, or related appurtenances) from the house plumbing system that public water is connected to. Additionally, the private well must be abandoned and filled in accordance with Ledge Light Health District requirements, or the owner must have the back of this form signed and notarized to serve as a waiver of responsibility for any liability resulting from future non-domestic use of the private well water supply. Continued use of private well water will be limited to irrigation (lawn or garden watering), car washing, or similar uses, only and will have no physical contact with the public water source.

5. The undersigned agrees to pay all costs of collection, including attorney's fees, which may be incurred in the collection of any past due liens, rates, or charges.

NON-DOMESTIC WELL USE LIABILITY WAIVER

I agree to use my private well for non-domestic uses such as irrigation (lawn or garden watering), car washing, or similar uses only. Further, I understand the risk of cross-contamination between my private water source and the public water source, and that my public service connection may be terminated if I have any alterations to my private well piping or appurtenances that create a cross-contamination risk to the public.
