## East Lyme Dog Park Interest

69	Owners are very ignorant. There's been many bad experiences of ignorant owners bringing dogs who don't interact well to dog parks. I would say yes to this being built but I believe our town has a lot of people who would not be in control of their dog here or argue with everyone there when they or their dog is the issue. Just like the beaches and board walk. Another things for beach bums to groan about.	5/22/2024 8:07 PM

#	RESPONSES	DATE
1	Please make this happen! We can learn from Waterford and have a committee or group of people who work together to maintain and improve the dog park over time.	7/2/2024 7:45 PM
2	We don't have a dog. We think it is important for dogs and their people have a gathering space.	7/1/2024 8:14 PM
3	I have seen many big size holes from dog digging. There are maintenance involved in having a local dog park. Keeping the grass short. Cleaning up some elses poop. There has been dog fighting at other dog parks. I use my judgement in deciding whether we will stay at the dog park depending on dogs behaviors.	7/1/2024 5:33 PM
4	The lack of a dog park is especially problematic downtown. How about the old police department???	6/29/2024 2:53 PM
5	East Lyme is building erratically and the town has completely lost its charm. Do something nice for the people who live here. We have several choices to use an existing space to accomplish this. No more eyesores please. That horrid headstone NIANTIC and the disaster which is the Costco debacle have done is. We are known far and wide as Poor Man's Mystic....let's try to repair this situation we're in. One of the ball fields at Perez park, one of the fields at Oswegatchie Hills Park (intramural Softball....two excessively equipped and lighted mega million fields used 2-3 months a year) the grassy area at McCooks after 5 pm... just some examples.	6/25/2024 8:08 PM
6	Dogs are part of our family and having a place to take them as part of a daily outing would be extremely beneficial.	6/22/2024 5:39 AM
7	Each "special" project adds tax and maintenance and management expenses. How long before animal control is involved or police? More \$\$\$ and specialized opinions on spending.	6/21/2024 6:34 PM
8	And someone else wants a splash pad. Enough already. Stop looking for ways to spend my money. Move to Waterford. They have a dog park.	6/21/2024 6:24 PM
9	Our dog is not socialized with other dogs, and we never let him off leash outside of our yard. If there were an area alongside the fenced in off leash area in which to walk a dog with some shade and trees, that would be an added bonus. Either way, I support a dog park.	6/21/2024 1:16 PM
10	Been to a couple. It was gross.	6/21/2024 9:49 AM
11	Currently driving to Stengers Farm every day to exercise dog	6/20/2024 1:26 PM
12	I am in Waterford so hoping it will be open and available for anyone to use	6/20/2024 7:22 AM
13	I have been saying we need this for years!	6/18/2024 6:24 PM
14	Has this survey been publicized well? I couldn't find it on the EL web site.	6/17/2024 5:30 PM
15	The open lot at the SE corner of grand and smith would be ideal	6/17/2024 1:25 PM
16	Dog parks are a good idea in theory but I would not use the park unless I knew the dogs and owners. A dog park is not a good place to socialize an adult dog since it would be unpredictable. Too many owners are irresponsible and don't take their dogs to training classes.	6/16/2024 7:35 PM
17	Not worth the investment. Maintenance and upkeep just get more expensive not necessary.	6/16/2024 4:57 PM
18	I believe the availability of Dogpark within the town is absolutely necessary. At least 50% of people that live in this town have a dog and need to learn how to socialize them without socialization. There is a large possibility of dog fights.	6/15/2024 8:03 PM

23	I think a dog park would be wonderful for the town especially during the summer months when dogs are banned from state parks	6/8/2024 11:46 AM
24	Might help with decrease of dogs at beach areas. What is maintenance department view of this additional work?	6/7/2024 6:16 PM
25	It will destroy natural habitats for animals who are already losing acreage due to new housing developments. People can walk their dogs!!!!	6/7/2024 5:43 PM
26	If a dog park is built, it needs to be sectioned off by size of dog into 2 or 3 sections.	6/7/2024 3:52 PM
27	This town spends too much money now. Dog parks are nice to have, but not a necessity. Spend the money elsewhere.	5/30/2024 12:31 PM
28	Would the park be monitored? How is checking to dog records? Who is responsible for injuries incurred at the park for aggressive or non socialized dogs? Socializing dogs without proper training could be dangerous. I do have a dog and would do all the right things, but I would not use a park for safety reasons and the possibility of illness.	5/29/2024 2:00 AM
29	In order for the dog park to be a serene and comforting environment, it must be in an area that is away from downtown congestion and neighborhoods. Also, not fair to East Lyme/Niantic citizens to have their peace and quiet interrupted by vehicles and barking dogs all day.	5/26/2024 5:15 AM
30	Perhaps start a fundraising campaign to help pay for the cost....sell items/baskets at events such as East Lyme Day, change donations at checkout registers around town, etc.	5/26/2024 1:03 AM
31	Would need a separate area for small dogs.	5/25/2024 6:32 PM
32	My biggest concern is owners not knowing how to properly socialize their dogs or having good enough recall during a situation.	5/25/2024 5:39 PM
33	I would suggest having separate areas at the park for large and small dogs	5/25/2024 2:46 PM
34	Most of my answers are truly pending the selected location.	5/25/2024 1:20 PM
35	This would be a great addition to the town	5/25/2024 1:11 PM
36	Most everyone I know regularly picka up after dog. I dont think dog bags have to be included and would save \$ to leave thia out. Most owners carry thwm at all times :)	5/25/2024 1:10 PM
37	Would love this!	5/25/2024 12:16 PM
38	I like the idea but how will vaccines and behavior be enforced? How will water bowels be cleaned out? How will rules be monitored?	5/25/2024 11:45 AM
39	This is a wonderful idea!	5/25/2024 10:30 AM
40	I think that the beautiful 25 acre parcel of open space on Roxbury Road across from Corey Lane owned by the Town would be a perfect location! Plenty of room for a parking area. Separate areas for small, and medium sized pups. A water supply for providing fresh water would be a huge bonus! I would even be on board with purchasing an annual pass which would require proof of vaccinations and licensing. Maybe an automatic gate that would require visitors to scan their passes for entry to the park area. Like the beach passes, resident passes would be cheaper than non-residents. Paw shaped vehicle stickers could be required. And a complaint portal established for reporting inappropriate use and failure to comply with park rules. The annual revenue would help with the cost of water, upkeep and necessary maintenance. A manmade water feature with a circulating pump to keep the water fresh would be wonderful for the water-loving dogs to take a refreshing dip! A digging pit could be included for those treasure hunters to exert their boundless energy. An obstacle course would provide a "playground" area putting this doggy dream park over the top! Shade trees could be planted	5/24/2024 3:14 PM

throughout for necessary shade and covered seating areas for puppy parents to relax while they supervise their furry kids. I would love to assist with making this a reality! Please email me!

41	I would think that speaking to other towns that have good dog parks would be a valuable resource to move this project forward. It's been kicking around for years!	5/24/2024 2:18 PM
42	Could sell bricks to sponsor park. Needs benches, trees for shade, drinking water access.	5/24/2024 12:31 PM
43	Need some shade and lights would be great in the winter for an hour or so after dark if possible (for the working people)	5/24/2024 9:01 AM
44	We often take out dog to Waterford. Would be nice to have one closer to home.	5/24/2024 8:44 AM
45	A dog park would be an attractive amenity that some of the surrounding towns don't have. I see it as an enhancement to the already superior park and rec offerings. Maybe the town could have a fundraiser to help startup costs, or have a small fee when licensing dogs in town to help offset the costs. Also, can we get a dog beach or dog beach hours at one of the current beaches?	5/23/2024 9:42 PM
46	Benefits to east Lyme	5/23/2024 8:02 PM
47	I love dogs (I'm owned by one now), but unless the park is big enough, has a separate tiny dog area, has trees for shade, water for rinsing off, a strict policy of only neutered dogs, and adequate entry/exit systems, I'm a no. Esp if it's designed like that atrocity of a dog pen at Copp Park.	5/23/2024 7:07 PM
48	I would be interested if there is a committee or volunteers needed for this. Thanks.	5/23/2024 5:58 PM
49	As far as showing proof of vax and license, that would mean there would have to be someone there at all times. Also, you would have to be from town to use it. Not necessary.	5/23/2024 4:50 PM
50	I have a dog and I was advised by 3 different veterinarians never to take my dog to the dog park for health and safety reasons. Hiring an employee to check license and immunizations for all of the dogs is cost prohibitive to say the least.	5/23/2024 2:11 PM
51	Every vet I have ever had has warned me NEVER take your dog to a dog park! Nothing but trouble	5/23/2024 2:10 PM
52	I think this is a fantastic idea! I have 4 dogs and I'm sure they'd love to stretch their legs in an open space rather than our small backyard	5/23/2024 1:47 PM
53	Why can we not add some space inside McCooks that is fenced but allow dogs year round - if we are counting on dog owners to be responsible within a park then we should do the same at our paid for park.	5/23/2024 1:30 PM
54	I hope that some thought will be put into the design of the space. It should not be just a square or rectangle with a chain link fence around it.	5/23/2024 12:04 PM
55	East Lyme is such a lovely town to live in. We have so many things to offer this would be a nice addition.	5/23/2024 12:02 PM
56	It would be nice to locate the park with scess to water for dogs to swim such as at cini park.	5/23/2024 11:25 AM
57	We currently have to drive to Central Bark in Groton. A local dog park would be wonderful.	5/23/2024 11:10 AM
58	Vaccinated and licensed sounds like yet another attempt to take more of our money. I imagine there will be a fee to "license" the dog to prove vaccination and use of dog park and that's ridiculous. I've been in other towns where dog parks were free and required no proof of vaccination so that's a requirement you just made up.	5/23/2024 9:20 AM
59	If there is not enough space to make a park large enough to nicely accommodate heavy use (think Groton vs Waterford), I hope you do not reflexively rule out possibility of creating two smaller ones, to distribute use and making it less likely to be wrecked by overuse. :) Also you can ask ELPTF to provide benches/trees.	5/23/2024 9:06 AM
60	I am a dog owner but would not use a dog park. I walk my dog regularly and pick up after her.	5/23/2024 8:14 AM

61	I'm so glad this is being taken up. It's sorely needed. We're a thoughtful and responsible community and I know we can do this right, assuaging any concerns by promoting best practices. Maybe it's even possible for basic socialization/obedience classes or events through parks & rec on site?	5/23/2024 8:09 AM
62	Well, we have pickleball courts, why not dog parks? I'm sure there would be matching fund raising. Where To locate? Perez's park ? That is a factor, safety for people and not isolated PS- rather rude and not really relevant to ask income, gender and age ? How about... are you over 18 and a tax payer?	5/23/2024 8:09 AM
63	Separate areas needed for small versus large dogs for safety reasons like in Groton.	5/23/2024 7:24 AM
64	I do not have a dog but I am very much in favor of this, most dog owners I know would use it regularly.	5/23/2024 6:42 AM
65	Dog parks are filled with parasites. People are not responsible enough to pick up after their dogs and they don't give them the required vaccines and do not socialize them before bringing them then throw them into a bad situation. My opinion as a veterinary professional	5/23/2024 6:39 AM
66	very few places in town to exercise your dog	5/23/2024 6:26 AM
67	Having a large dog area and a small dog area is very helpful. If possible having a water source	5/23/2024 6:03 AM
68	While I don't have a dog, I have used them before and they are really nice for the dogs. I believe there is one in Waterford that is close by	5/23/2024 4:17 AM
69	I'd rather see the money spent on Pickleball courts	5/22/2024 11:38 PM
70	Dog parks are just invitations for dogs to fight. Unless there are strict rules regarding vaccinations, allowing only neutered pets, well constructed separate areas for large and small dogs, cameras or staff to monitor both dog and owner behavior, water readily available and strictly enforced rules regarding cleaning up after a pet this is a disaster waiting to happen.	5/22/2024 11:24 PM
71	Maintenance is always a big issue. Must be a long term plan, ideally with dog owners who feel some responsibility/"ownership."	5/22/2024 10:48 PM
72	I think it's important to do it right, or not at all. For example, water fountains available for owners AND dogs, shaded areas, seating for owners, etc. a poorly maintained park is worse than no park. I also think care needs to be taken in locating this park. Some possible areas are tick and mosquito infested. Not good for dogs OR owners!	5/22/2024 10:36 PM
73	Big dog vs small dog area would be best!	5/22/2024 10:18 PM
74	Need both large and small dog areas, water access, shade and good entry/ exit system. A double gate so chance of an inadvertent escape is minimized.	5/22/2024 9:59 PM
75	It would be nice if there's a separate area for small dogs vs larger dogs by weight	5/22/2024 9:53 PM
76	Very popular in other communities we have lived in Austin, Tulsa, East Lyme when had temp housing at The Sound apartments. Our daughter is moving into those apartments after graduation and the dog park is very popular	5/22/2024 9:44 PM
77	I am a dog owner but I still don't think something like this should be paid for by taxpayers. Taxes have been escalating in East Lyme with both the education budget and town budget. People are having a hard time paying for basic living costs and I do think we need to be cognizant of the seniors and fixed income people in town who are having a hard time with rising costs of everything. Even if the park was funded through donations there is a cost to maintain the park. Salaries to mow the grass, poop bags, trash pickup, insurance, etc. it is a very nice thing to have but people can use the state parks we have and abide by the leash laws or fence in their own yard.	5/22/2024 9:16 PM
78	I frequently use the Copp property dog park in Groton. I would love one much closer to my home.	5/22/2024 8:54 PM
79	I do not own a dog, but I think the dog owners in town need a place for their dogs to exercise safely.	5/22/2024 8:46 PM

## East Lyme Dog Park Interest

80	I think a dog park would be a great addition to our already great town. Dog owners are limited in places to bring their dogs to be free off leash especially during summer months. This would also encourage local dog owners to train their dogs well and keep them up to date on vaccinations and paperwork. I don't see any real downside to this if the park is built in a quiet area and maintained properly. I fully support this	5/22/2024 8:43 PM
81	They need a place to go.	5/22/2024 8:31 PM

83	This town needs a park for our dogs in town This is a great idea I hope it happens Start a go fund me page	5/22/2024 8:13 PM
84	There is a great spot on Mostowy Rd that I thought was going to be a dog park. That's a great location.	5/22/2024 8:12 PM
85	I would love a dog park only if there was more than just vaccinated dogs as the qualifications. Maybe a mandatory check in / 24/7 cameras so if any incidents occur there is video proof of what went down. I've just seen too many dogs get hurt from neglect/ ignorant owners. Dogs aren't the issue here. The owners are.	5/22/2024 8:07 PM
86	We to stop spending \$\$\$ on things a very small fraction of people benefit from.	5/22/2024 8:06 PM
87	Dog parks are a bacteria factory.	5/22/2024 8:04 PM
88	I am excited about this idea and see it bringing people to town!	5/22/2024 8:04 PM
89	I love this idea and fully support it. I lost interest in taking my dog to Waterford because it was inconvenient. I think this would be a great addition to the community	5/22/2024 7:55 PM
90	So many many years. I doubt it will happen	5/22/2024 6:59 PM
91	In theory the dog park sound lovely. The truth is there will be many dog fights, people will not pick up after their dogs all of the time, our tiny town is already too congested, and the park will attract people from other towns. I have a dog. I love dogs but a park is a bad idea.	5/22/2024 6:55 PM
92	although I have a dog and support a dog park, my dog is old and doesn't socialize well any more.	5/22/2024 6:30 PM
93	Highly recommend looking at the set up of Waterford dog park and the one in Norwich, there is lots open area around the fenced in area of the dog park, this allows for dogs who may not be ready for interaction with other dogs to walk the perimeter of the park and allow for co-existence over interaction. More welcoming for all types of owners and dogs when there is extra room on the outside of the fenced in area	5/22/2024 6:29 PM
94	Dog parks are well know to spread illness. Owners are not always responsible. Tax dollars should not be used for this.	5/22/2024 6:27 PM
95	maybe a pool	5/22/2024 6:19 PM
96	I didnt answer the tax \$ question since i live in OL.	5/22/2024 6:05 PM
97	My disabled husband has made some wonderful friends via the Groton & Waterford dog parks. Groups meet up and chat. Has built a nice community.	5/22/2024 5:49 PM
98	We think this is a phenomenal idea and would greatly benefit the town!	5/22/2024 5:44 PM
99	It's about time !! So many residents of East Lyme own dogs.	5/22/2024 5:18 PM

would empty the trash cans? It shouldn't be public works responsibility either.

106	A dog park needs shade! The dog park in Waterford does not have enough shade.	5/22/2024 4:47 PM
107	This would be a huge waste of tax payers money. If you want to build something build a skate park for kids to go to.	5/22/2024 4:22 PM

110	Any unique upgrade to the towns parks only increases the appeal for nonresidents to visit East Lyme and spend money in the town. Also gives more activities for residents to partake in and grown the community. Things like splash pads, disc golf, large play grounds, biking paths, etc would all have the same benefit.	5/22/2024 3:26 PM
111	I visited a dog park in FL and in the evening, a sprinkler system went off. It was a great way to "wash" away the urine and feces residue in the fenced-in area.	5/22/2024 2:59 PM
112	In theory dog parks are great..in practice they are no more than an incredible liability. There are always irresponsible dog owners and both people and animals get hurt as a result	5/22/2024 1:48 PM
113	Too many irresponsible owners at dogs parks. It is not worth the effort, cleanup and maintenance.	5/22/2024 1:41 PM
114	Would there actually be checks on dog licenses for park use? How would it be enforced?	5/22/2024 1:36 PM
115	I'd love a dog park. We currently go to Waterford and it's nice but if would be nice for a closer park.	5/22/2024 1:20 PM
116	I personally see dog parks as a massive risk and would prefer not to put tax dollars towards it, as it's not something I would ever use or advise anyone to use.	5/22/2024 1:03 PM
