Hi Janet,

The applicant has indicated that an easement will be included for the stormwater system from the proposed "Lot 1A" (existing development). That easement should be depicted on the map so it is clear. I have no other comments at this time.

Alex

Good morning,

Attached is the new 1-lot resubdivision application for 269 Flanders Road. There are hard copies in your mailbox too. The commission is receiving the application tonight, and the public hearing will be November 12<sup>th</sup>.

Please send comments for the record to Gary, and please cc me.

Thank you,
