Re: Cedarbrook Lane Property

Gary:

I am following up on this matter. I would ask that this matter be placed on the Planning Commission's agenda for June. At the January 14, 2025 meeting the Commission indicated it needed more information in order to decide the matter. Thereafter it was removed from the agenda, and no further action was taken on it. In order to bring this matter to a conclusion I would intend to present the evidence we have that supports the position I laid out in my correspondence to you of January 13, 2025.

Sincerely,

Paul M. Geraghty
