

4/29/25

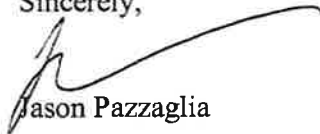

Dear Zoning Board,

The Over-55 Sleepy Hollow SUE is requesting approval to eliminate the access loop road that was originally intended to connect to Van Winkle. In lieu of this road, we propose to create an environmentally friendly green space that will enhance the aesthetic and ecological value of the community.

As part of this plan, we also intend to relocate the gazebo from its original position to a more centrally located area within the new green space, making it more accessible and enjoyable for all residents.

We appreciate your consideration of this request and look forward to your feedback.

Sincerely,

Jason Pazzaglia
