Good Evening, All:

We won't be having our August meeting until we have two more Commissioners added to our Board. There are two possible positions that hopefully will be filled by our meeting in September, giving us a total of 5.

I will keep you informed on the progress of this situation and in the meantime, if you know of anyone who is a resident on East Lyme and has a passion for local history and would like to join either as a Friend of BFM or possibly be a commissioner, please let either Annah or me know and we'll follow up.

Best,
Cheri
