Re: Cedarbrook Lane Property

Gary:

I am following up on this matter. I am requesting that the Planning Commission extend the time to make a decision on this matter until the January meeting in 2026. Tim May is away next week and unable to attend the hearing. As we intended to address the request for an exemption regarding the storm water maintenance report. And we have not received comments back from any other staff I would ask that the hearing be continued to January 13, 2026.

Please confirm this is acceptable as I would prefer to avoid having to attend next week's meeting only to ask for the continuance.

Sincerely,

Paul M. Geraghty
