I am writing in response to a request for an intermunicipal referral for the Town of East Lyme. The application was received on December 15, 2025. The application was referred to this agency pursuant to Section 8-3(b) of the Connecticut General Statutes.

The proposed application from Parkers Place LLC seeks to secure a General Statutes 8-30g zone change for a multi-family affordable residential housing development on property located on the westerly side of Park Place, East Lyme. The application is for a sixty (60) unit multi-family set-aside affordable housing development, consisting of sixty (60) two (2) bedroom apartment units in a townhouse setting.

Based on a review of the material provided, I have determined that the proposed application is not likely to have a negative intermunicipal impact.
