Director of Emergency Management Dick Morris responded that he will be asking for a new server during the next budget series.

Mr. Nickerson said that he was reluctant to endorse this program noting the Incentive Housing Program we had entered into and absorbed costs based on the fact that there would be large reimbursements. The State had decided not to fund this program and therefore the Town only received \$20,000.

The Board agreed to table this item for more information.

3b. CCM Discount Prescription Program

Attorney O'Connell noted that he had been requested to review this item. He said that he had contacted CCM and received a copy of the contract that they would expect the Town to sign. He said that the program was free to the town, with no implementation costs and no personal information taken or kept by the town.
