e. Consent Calendar

Motion (3) Mr. Nickerson moved to approve the Consent Calendar in the amount of \$451.16 for the meeting of July 2, 2014.

Seconded by Mr. Wilson.

Motion Passed 6-0.

2. New Business

a. Discussion/Potential Action – Care Here

This item will be moved to a future agenda.

b. Discussion/Potential Purchase Bayreuther Property

Chris Lambert of 10 Cove Hill Road stated this property is 37 acres off of Quarry Dock Road. It abuts the existing nature preserve. The Bayreuthers are interest in selling it. The total price they are asking is about \$300,000, the Friends of Oswegatchie Hills has received \$150,000, and the State has given them \$100,000, The Friends have raised over \$20,000, they are hoping the Town will allocate the additional \$25,000.

Mr. Formica stated it makes sense to buy this, it is contiguous to existing Friend's land, the Conservation Easement would go to the Friends, but the Town will own the property.

Motion (4) Mr. Nickerson moved the following Resolution:

RESOLVED, to approve and forward to the Board of Finance a special appropriation in the amount of \$25,000 from Open Space Fund 59 to purchase the property located on Assessor's Map 22, Lot 1 and abutting Quarry Dock Road. The First Selectman is authorized to execute, in the name and on behalf of the town, a contract to purchase said property at the above price, subject to usual and customary adjustments and contingencies, and also subject to approval of the proposed purchase by the appropriate boards, commissions and agencies of the Town. The First Selectman is also authorized to execute a Declaration of Conservation Easement and Restrictions regarding the use of such property in favor of the Friends of the Oswegatchie Hills Nature Preserve, Inc.

(This will need Town Meeting Approval).

Seconded by Mr. Wilson.

Mr. Wilson asked if they should change the wording that the consent to transfer is subject to the Town of East Lyme Board of Selectmen.

Attorney Collins stated the Town of East covers that, a change is not necessary.

Ms. Cheeseman commended the Friends. They are aware the Town doesn't have the resources to acquire what we want, and this is a small contribution from the Town.

Ms. Hardy asked about Item 4B, is hunting only allowed for over population?

Attorney Collins stated they can put in that the Town will not permit hunting of animals.

Mr. Wilson stated he doesn't know that we want to limit it to not doing it.

Joe Mingo of Boston Post Road stated DEEP does controlled hunts, the Town could bring them in and let them assess the population of the deer.

Mr. Nickerson stated it doesn't say that it will allow hunting.

Mr. Formica stated they could add "as directed by the Board of Selectmen" at the end of Paragraph 4B in the Easement, and then the Board of Selectmen can make arrangements with DEEP.

Mr. Nickerson amended his Motion to add "as directed by the Board of Selectmen" at the end of paragraph 4B of the Easement. (This Amendment was Redacted)

Mr. Nickerson amended his original Motion to add that they authorize the First Selectman to work on the Conservation Easement language, specifically Paragraph 4B on animal population management.

Motion Passed 6-0.

Motion (5) Mr. Nickerson moved the following Resolution:

Resolved to forward the proposed purchase of the property located on Assessor's Map 22, Lot 1 and abutting Quarry Dock Road to the East Lyme Planning Commission for its report and recommendation, in accordance with Connecticut General Statutes 8-24.

Seconded by Mr. Wilson.

Motion Passed 5-0-1 (Mr. Seery left the room)

c. Special Appropriation Scott Air Packs

Mr. Formica stated a number of our air packs are going out of date. They are a large amount of money. This is an effort to bring both departments air packs compatible with each other. The Ambulance Association has agreed to fund \$22,000 in year one and \$10,000 in years two through five.

John McDonald, Chief of Niantic Fire Department stated their cylinders are becoming obsolete. Everyone in the county uses Scott Air Pack 4.5, we are currently using Scott Air Pack 2.2.

Mr. Formica stated he has met with everyone involved, compatibility makes sense.

Anna Johnson stated Shipman's offered a leasing option, but the rates were double what we can get through our Financing Company.

Mr. Wilson stated times have changed, and it is time to catch us up.

Motion (6) Mr. Nickerson moved to approve the carry-over of \$9,069 in account 4-01-01-120-200-500 (Contingency) from fiscal year 2013/14 to the 2014/15 fiscal year to account number 5-01-70-724-700-461 (PS-NFD) for acquisition payments for the purchase of 4.5 Scott Air Packs, Bottles and Masks for NFD which is for improved public safety in the Town of East Lyme and forward to the Board of Finance for approval.

The First Selectman is authorized, in the name and on behalf of the Town, to execute and deliver any documents that may be required in connection with said transactions.

Ms. Cheeseman stated she attended the Zoning Commission meeting where they had more outdoor dining area approvals, and approvals of repairs of damage from Storm Sandy. She commented that there was a bequest recently specifically targeted for land preservation and animal welfare. That may be a chance for the Waterford East Lyme Animal Shelter to obtain available money.

b. First Selectman's Report

Mr. Formica stated he attended the groundbreaking for Gateway apartments. The agreements were executed for the Boardwalk with Amtrak, the contractor is gearing up. The pavilion will not be available during construction. The tent is up there, which is larger than the pavilion, there will be an access road behind the pavilion. They will try to keep the beach open as much as possible during the construction, but it may be on a day by day basis. The Solar Farm had issues with runoff, and Gary Goeschel is working on that. The Siting Council moved to direct the contractor to mitigate the flow of water off of that site. He attended the 50th Anniversary of Tobin, Carbery, O'Malley. He joined Ed Jutila and the Friends of Oswegatchie Hills on a hike with 100 middle school students. The Heroin Forum was held at the Town Hall a few weeks ago, that needs to be brought into the spotlight. He attended Joel Yuhas's Eagle Scout Ceremony. He attended the opening of the Charter Oak Headquarters in Waterford. He attended the Central Rail Corridor Press Conference by Joe Courtney. He participated in a conference call today with Moody's. He hosted an employee appreciation luncheon to show the employees in town how much they are appreciated. He attended the High School and Middle School graduations. Video. He encouraged everyone to vote for Niantic as the Fan Favorite Town, you can vote once a day and the link is on the Town Website.

Ms. Cheeseman stated she was looking at the Town Website today and it was looking good.

Mr. Formica stated the whole website was rebuilt. It is much improved.

6. Public Comment

There was no public comment.

7. Selectmen's Response

Mr. Formica noted that Mr. Bialowans has come to the Board 5 times, he has sent Mr. Smith up there but there was nothing to inspect without taking the walls apart. He does not want to get in the middle of his builder issue. Mr. Bragaw is working on the damaged curbs on Walnut Hill.

Ms. Hardy asked if we will be reimbursed for that work, and if there would be something in their packets at the next meeting on Care Here.

Mr. Formica stated he doesn't know how the Town would prove who damaged them. He was not able to meet with the Care Here representatives because of their attorney's illness, that is why that was pulled of the Agenda.

Motion (21) Mr. Nickerson moved to adjourn the meeting at 9:10 p.m.

Seconded by Mr. Seery.

Motion Passed 6-0

Respectfully Submitted,

Recording Secretary Pro-Tem**

Exhibit A

WEDNESDAY, JULY 2, 2014

GOOD EVENING MR. FORMICA AND THE OTHER BOARD MEMBERS,

MY NAME IS JOHN BIALOWANS, JR. OF 61 WALNUT HILL ROAD. I HAVE SOME QUESTIONS. MY FIRST QUESTION IS ABOUT THE DAMAGED CURBS ON WALNUT HILL ROAD. I HAVE SPOKEN WITH THE TOWN ENGINEER JOE, AND HE SAID HE WAS GOING TO COME UP AND LOOK AT THEM. THERE WAS NO DAMAGE TO THE CURBS UNTIL CLP CREWS ARRIVED. WHO IS GOING TO FIX AND PAY FOR REPAIRS – CLP OR THE SOLAR FARM?

MY NEXT QUESTION IS ABOUT THE BUILDING INSPECTOR, JOE SMITH. I CALLED THE FIRST SELECTMANS' OFFICE ON MAY 29, 2014. I CALLED AGAIN ON JUNE 24TH AND JUNE 25TH, 2014, AND DARLENE CALLED ME BACK ON JUNE 26, 2014 AT 2:05 PM. SHE SAID PAUL AND JOE TALKED AND THEY SAID:

1. NOTHING TO LOOK AT
2. NOTHING TO DO
3. BOTH OF THEM WILL COME UP TO LOOK AT THE GARAGE

SINCE I WAS TOLD BY DARLENE, THE EXC. SECRETARY, NOT THE FIRST SELECTMAN OR THE BUILDING INSPECTOR WHAT THEY SAID OR DECIDED. JUST LIKE MY GRANDMOTHER ALWAYS TOLD ME, "IF YOU GET AN ANSWER FROM A THIRD PARTY ABOUT ANYTHING THE OTHER 2 ARE USUALLY GUILTY OR THINK IT WILL BE FORGOTTEN AND GO AWAY."

I DREW UP A PLAN FOR MY GARAGE AND SUBMITTED IT TO JOE SMITH. HE LISTED 3 ITEMS TO MY PLAN TO BRING IT UP TO CODE. THEY WERE

1. 3" WASHERS ON THE SILL PLATE OR STRAPPING THE SILL PLATE TO THE WALL STUDS
2. H-2.5A CLIPS TO THE JOISTS
3. STRAPPING AT THE PEAK OF THE ROOF BEFORE THE SHINGLES ARE DONE

THE ITEM THAT WAS DONE WAS THE STRAPPING ON THE ROOF BECAUSE I TOLD THE BUILDERS' CREW TO DO IT. THE OTHER 2 ITEMS WERE NOT DONE AFTER I MENTIONED ABOUT THEM, AND I EVEN GOT BLAMED FOR "STEALING" THE 3" WASHERS FROM THE BUILDER. THE FUNNY THING IS – WHEN THE BUILDER LEFT ONE OF HIS WORKERS SAID HE SAW HIM PUT THEM IN HIS TRUCK. I COULD GO ON WITH MORE STUFF BUT, MY MAIN CONCERN IS THE 2 ITEMS NOT DONE.

I HAVE TALKED WITH MY INSURANCE AGENT AND THE INSURANCE COMPANY. THEY BOTH SAID EVEN IF I GET A C.O. I AM STILL LIABLE FOR NOT HAVING THE GARAGE DONE TO CODE. BECAUSE I ACTED AS THE G.C. ON THE JOB, AND SHOULD HAVE BROUGHT IT TO THE BUILDERS' AND INSPECTORS' ATTENTION. I HAVE, AND NOW I AM IN A LAWSUIT AND THE BUILDING INSPECTOR SAYS "THERE'S NOTHING TO DO".

I'M IN THE LAWSUIT NOW BECAUSE:

1. THE BUILDER WANTED TO CHANGE OUR AGREEMENT THAT WE HAD FROM THE BEGINNING-TO SWITCH A MACHINE FOR HIS WORK, AND HE PAYS THE DIFFERENCE.
2. HE WALKED OFF THE JOB SO I HAD SOMEONE ELSE FINISH THE JOB

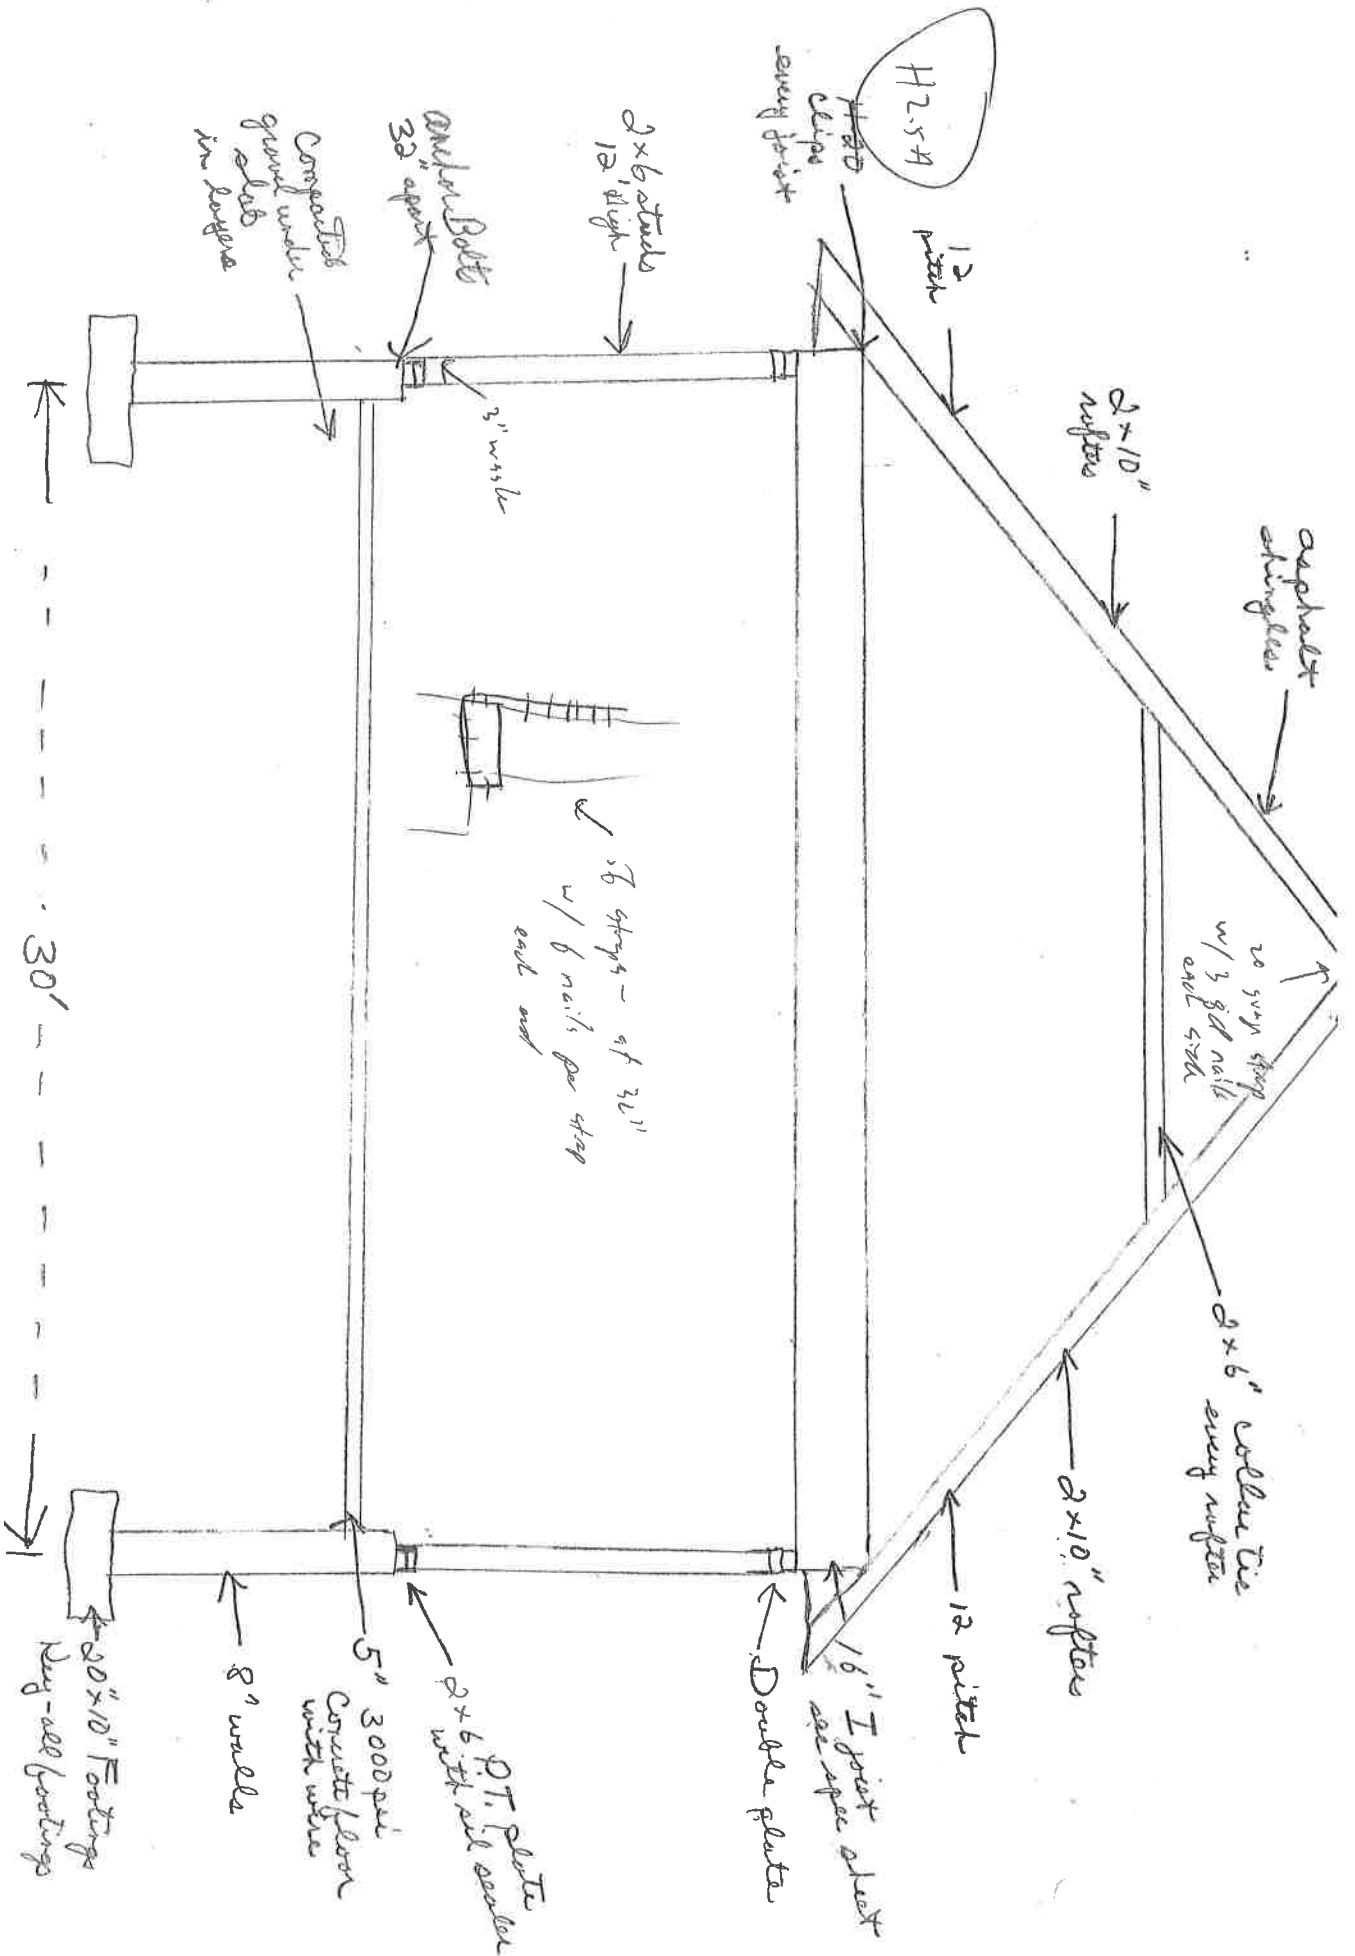

I'M IN A DISAGREEMENT WITH THE BUILDING INSPECTOR NOW:

1. I HAVE WORKED WITH JOE BEFORE AND NEVER HAD A PROBLEM WITH HIM (HE WANTED SOMETHING DONE, I DID IT, NO QUESTIONS ASKED).
2. MY PROBLEM NOW IS THAT HE MADE ADDITIONS TO MY PLAN TO BRING IT UP TO CODE, AND NOW SAYS IT'S NOT NECESSARY (WHEN DID THE CODES CHANGE AND JOE SWITCHED GEARS?)
3. I FEEL NOW THAT HE (JOE SMITH) AND THE TOWN ARE QUITE BIAS AGAINST ME, AND HE IS JUST LOOKING OUT FOR THE BUILDERS INTEREST – NOT THE TAXPAYERS. I HAVE TALKED WITH OTHER BUILDERS, AND THEY NOTICED IT ALSO FROM JOE HOW HE PLAYS FAVORITES. *and others in the building*
4. I HAVE TALKED WITH THE STATE OF CONNECTICUT BUILDING INSPECTORS BEFORE, *trades* AND THEY SUGGESTED TO TRY & WORK IT OUT WITH THE TOWN. I HAVE AGAIN TALKED WITH THE STATE, ON MONDAY, JUNE 30TH, 2014, AND THEY TOLD ME THEY WILL LOOK INTO THIS MATTER FOR ME.

SO SINCE EVERYONE IN THE TOWN SAYS IT'S OKAY, BUILD TO CODE AFTER THEY SAY IT'S NOT NEEDED NOW (THE 3" WASHERS AND THE H-2.5A CLIPS) – IT SEEMS NOW IT'S THEIR RESPONSIBILITY TO PROVE IT TO ME, ALSO THE STATE BUILDING INSPECTOR AND/OR TAKE FULL RESPONSIBILITY OF MY GARAGE – NOT WITH A C.O. BUT WITH SOMETHING WRITTEN DOWN, SIGNED AND DATED, AND FILED AT THE TOWN CLERKS OFFICE.

THANK YOU FOR YOUR TIME & TAKING ACTION ON THIS MATTER.

JOHN BIALOWANS, JR.
