**3. PUBLIC DELEGATIONS.**

**A. Cummings Application.** Mr. Westermeyer of Coast Line Consulting discussed the Cummings Application for a dock. It will need approval from CTDEEP and Army Corps. Mr. Landers felt any issues relating to shellfish were outside the jurisdiction of this Commission. He referred Mr. Westermeyer to WELSCO which will meet on July 18.

Mr. Westermeyer stated the concrete bulkhead and footing needs to be repaired. They would like to install a fixed pier ramp and have a floating dock.

Mr. Murin felt the area was very congested. He believed the Town of East Lyme has a right of way in that area. It also crosses the riparian line. He would like to be assured the neighbors would receive notice. Mr. Murin added that the proposed dock could prevent adjoining property owners ability to install a dock and that may be an issue. Mr. Westermeyer stated they are trying to avoid any conflicts with neighbors. Mr. Schutt asked has there been communication between neighbors? Mr. Westermeyer replied there has not been. Mr. Murin felt the neighbor's point of view needs to be taken into consideration. Mr. Mountzoures felt the ramp angle could interfere with navigation.

This matter was tabled until the Commission has had an opportunity to visit the area and clarification on who owns the adjoining right of way is determined.

**B. EX OFFICIO REPORT.** Mr. Seery reported at a Town Meeting the Selectmen approved a bond of \$900,000 to replace vehicles for the police, firefighters and Public
